Hagin, Jr.,1987-07 This book will show you how to minister to the brokenhearted **Healing the Broken Hearted** Matthew Arikanki,2013-04-26 Let me tell you in case you don t know that people around you are hurting Our ministry is to minister the love and healing power of Christ to a hurting world You can receive healing to your broken heart from the Lord Start your healing today by digging up the hurt and tell it to Jesus Make all the details known to Him Tell Jesus how deeply you ve been bruised about the issue tell it all to Him He is your Father a trusted friend and a loving brother He understands He likes to know everything you are going through and He will not condemn you Jesus will listen to you attentively Even if it takes several hours for you to pour out your hurt to Him He will listen to you He is devoted to you and to you alone Think about an issue that really hurt you very deeply Try to recollect all the details I want you to tell Jesus about it Just begin to speak spontaneously and extemporaneously now It does not matter if you are crying while telling your pains to Jesus He will hear you He can hear your unspoken words He knows your pains Tell it all to Him now Having suffered broken heart that bled deeply for several years the Lord healed me and now committed to me the ministry of ministering to the broken hearted **Ministering to the Brokenhearted** ,1987 **God is Close to the Brokenhearted** Rachel Callahan,Rea McDonnell,1996 Depression is a universal human experience and its verbal expression is as old as the written word Through the Jewish and Christian Scriptures and from the holy texts of ordinary people who share personal testimonies to the pain of depression Rachel Callahan and Rea McDonnell explore the experience of depression How do we name our depression What have we been taught about depression By whom How have we learned to deal with it Those who suffer depression and who from its depths seek peace healing and God s own self will find in this book a caring and compassionate guide through the muddy swamp of depression
