How to Read a Moment Mathias

Nilges, 2021-03-15 In *How to Read a Moment* Mathias Nilges shows that time is inseparable from the stories we tell about it demonstrating that the contemporary American novel offers new ways to make sense of the temporality that governs our present Time is a thing that grows scarcer every day observes one of Don DeLillo's characters The future is gone The Baffler argues Where's my hoverboard a meme demands Contemporary capitalism a system that insists that everything happen at once creates problems for social thought and narrative alike After all how does one tell the time of instantaneity In this moment of on demand service and instant trading it has become difficult to imagine the future The novel emerged as the art form of a rapidly changing modern world a way of telling time in its progress Nilges argues that this historical mission is

renewed today through works that understand contemporaneity as a form of time shaping that props up our material world and cultural imagination But the contemporary American novel does not simply associate our present with a crisis of futurity Through analyses of works by authors such as DeLillo Jennifer Egan Charles Yu and Colson Whitehead Nilges illustrates that the novel presents ways to make sense of the temporality that controls our purportedly fully contemporary world In so doing the novel recovers a sense of possibility and hope forwarding a dazzling argument for its own importance today *Space Oddities* Marie Lathers,2012-05-03 A fascinating new perspective on the Space Race combining brilliant film scholarship with gender studies and feminist theory *Timing Canada* Paul Huebener,2015-12-01 Time as a form of power in Canadian society literature and cultural imagination *San Francisco Review of Books* ,1993 **Circular Narratives in Modern European Literature** Juan Luis Toribio Vazquez,2022-06-16 Breaking with linearity the ruling narrative model in the Jewish Christian tradition since the ancient world many 20th century European writers adopted circular narrative forms Juan Luis Toribio Vazquez shows this trend was not a unified nor conscious movement but rather a series of works arising sporadically in different countries at different times using a variety of circular structures to express similar concerns and ideas about the world This study also shows how the renewed understanding of narrative form leading to this circular trend was anticipated by Nietzsche s critiques of truth knowledge language and metaphysics and especially by his related discussions of nihilism and the eternal recurrence Starting with an analysis of the theory and genealogy of linear narrative the author charts the emergence of Nietzsche s idea of eternal return before then turning to the history of the circular narrative trend This history is explored from its inception in the works of August Strindberg Gertrude Stein and Azor n through its development in the interwar years by writers such as Raymond Queneau and Vladimir Nabokov to its full flowering in the work of authors James Joyce or Samuel Beckett among others and its later employment by post war writers including Alain Robbe Grillet Italo Calvino and Maurice Blanchot Through a series of close readings the book aims to highlight the various ways in which narrative circularity serves to break with an essentially teleological and theological thinking Finally Toribio Vazquez concludes by proposing a new typology of non linear narratives which builds on the work of recent narratologists *Descant* ,2006 *The Psychology of Sex Differences* Eleanor E. Maccoby,Carol Nagy Jacklin,1978 A Stanford University Press classic **The Book-analyst and Library Guide** ,1878 *New York Times Saturday Book Review Supplement* ,1994-07 **Book Review Digest** ,1922 *Time* Briton Hadden,Henry Robinson Luce,1929 *Black's Guide to Devonshire* ,1874 *Black's Guide to Warwickshire* Adam and Charles Black (Firm),1874 **Black's Picturesque Tourist of Scotland** Adam and Charles Black (Firm),1874 *Black's Guide to Kent* ,1874 **Hollywood Movie Novels** ,1918 *Cornelii Taciti Annalium ab excessu divi Augusti libri: Books XI-XVI* Cornelius Tacitus,1891 *P.
