Now McBride turns his extraordinary gift for storytelling to fiction in a universal tale of courage and redemption inspired by a little known historic event. In *Miracle at St Anna* toward the end of World War II four Buffalo Soldiers from the Army's Negro 92nd Division find themselves separated from their unit and behind enemy lines. Risking their lives for a country in which they are treated with less respect than the enemy they are fighting, they discover humanity in the small Tuscan village of St Anna di Stazzema in the peasants who shelter them in the unspoken affection of an orphaned child in a newfound faith in fellow man. And even in the face of unspeakable tragedy they and we learn to see the small miracles of life. This acclaimed novel is now a major motion picture directed by Spike Lee.

It is the story of four American Negro soldiers a band of partisans and an Italian boy who encounter a miracle though perhaps the true miracle lies in themselves. People. This book is bliss. *The Boston Globe* Sometimes subtle sometimes striking, the interplay between our lives and our books is the subject of this unique memoir by well-known publishing correspondent and self-described readaholic Sara Nelson. The project began as an experiment with a simple plan: fifty two weeks, fifty two books that fell apart in the first week. It was then that Sara realized the books chose her as much as she chose them and the rewards and frustrations they brought were nothing she could plan for. From Solzhenitsyn to Laura Zigman Catherine M to Captain Underpants the result is a personal chronicle of insight, wit and enough infectious enthusiasm to make a passionate reader out of anybody. *Kliatt Young Adult Paperback Book Guide*, 2005 **Black**
