Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s

work in and for every believer will be fully and ultimately realized in the everlasting life *Miracles of Jesus*

wedding feast This is followed by other miracles Jesus performed such as his calming of a storm walking on water and raising the dead to life This delightful collection filled with memorable illustrations is perfect for sharing and reading aloud *The Miracles of Jesus and Their Flip Side* Jerry L. Schmalenberger, 2000 The miracles of Jesus are some of the most striking passages in the New Testament they bring the power of God up close and personal by dramatically rearranging human situations and teaching us great spiritual truths But how can we translate the sometimes arcane historical content of the miracle stories in a way that will be meaningful to contemporary sensibilities Jerry Schmalenberger has come up with an original solution in these thirteen well crafted sermons on miracle stories contained in the Revised Common Lectionary Using the analogy of old 45 rpm records which were usually released with a hit side and a flip side Schmalenberger shares a structure for presenting the miracles in narrative form He initially focuses on the traditional approach to each miracle the A or hit side and then offers a fresh look at the other side of the story the B or flip side Schmalenberger's punch contemporary language and narrative style produce hard hitting and inspirational messages that offer a unique twist in the interpretation of these fascinating stories Jerry L Schmalenberger has taught speech and communication at Wittenberg University and Urbana College and was a parish pastor for 29 years serving some of the nation's largest Lutheran congregations Recently retired as professor of parish ministry and president of Pacific Lutheran Theological Seminary in Berkeley California he now serves as a Global Mission Volunteer for the Evangelical Lutheran Church in America Schmalenberger has preached and taught throughout the world most recently teaching with the faculty of the Lutheran Seminary in Hong Kong Schmalenberger has also taught at seminaries in Germany Jamaica Argentina Surinam Indonesia and Liberia A graduate of Wittenberg University and Hamma School of Theology in Springfield Ohio where he received his D Min degree Schmalenberger was honored by Wittenberg with a D Div degree The Nature Miracles of Jesus Graham H. Twelftree, 2017-09-06 The nature miracle stories of Jesus walking on the water or feeding thousands with a small amount of food for example are so spectacular that many find them a problem whether historical philosophical or even theological This is the first book to tackle this problem head on Do the stories reflect events in the life of the historical Jesus or are they myths or legends Or perhaps they grew out of parables or from more ordinary events into the incredible stories we now have Or again perhaps this the wrong approach A group of high ranking biblical historians philosophers and theologians with very diverse views set out to provide possible answers Contributors James Crossley Eric Eve Craig S Keener Michael Levine Timothy J McGrew Scot McKnight Graham H Twelftree Ruben Zimmermann Find Your Miracle Kerry Shook, Chris Shook, 2016-10-04 Discover the miracle you've been looking for through an exploration of nine miracles of Jesus each filled with meaning insight and discovery for all who desperately need a miracle of their own Healing the blind Walking on water Calming the storm Feeding thousands with a few loaves and fish Every miracle Jesus performed was for a purpose There was provision for that specific moment in time But what if each miracle was also embedded with the promise of future provision for you In *Find Your Miracle* New York Times

best selling authors Kerry and Chris Shook take a fresh look at nine of Jesus's most incredible times of healing and supernatural intervention. The Shooks unpack these moments in modern language to usher you into the pain, desperation, breakthrough, and miracle of each encounter. Plus they reveal a miracle map that connects that moment long ago to our needs today for revelation, transformation, and restoration. Weaving together the biblical narrative with contemporary real life application, Kerry and Chris Shook arrange these New Testament miracles under four overarching descriptions of Jesus: the Miracle Worker, the Healer, the Provider, the Storm Chaser, and the Life Giver. Rather than running from our overwhelming situations, the Shooks encourage us to remain steady, fully trusting that Jesus stands ready to guide us to the miracle we most need and possibly least expect. **Miracles of Jesus** C. K. Sharpe, 2017-02-01 [Miracles of Jesus](#) Richard S.

Ascough, 2003 Richard Ascough presents and interprets 27 miracles performed by Jesus during his public ministry. Each miracle selected is both a demonstration of and a challenge to faith. All four of the Gospels present Jesus as a miracle worker. The stories show that Jesus preached the in-breaking of God's kingdom while demonstrating its arrival through mighty works. Together, the miracles reveal Jesus' concern for all people; there are no ethnic, social, or gender barriers to God's care. This book seeks to understand Jesus' miracles in their social and literary contexts in order to see how these miracles demonstrate God's concern for the whole person, not only in antiquity but also in our own lives today. While Jesus healed people, he did not heal everyone. Sickness, disease, and death are still prevalent at least while we await the full manifestation of God's kingdom on earth, writes Ascough in the opening chapter. However, whenever relationships are restored, faith is strengthened. When people recover from illness, we see signs of God's restoration and involvement in our lives. Seen from the perspective of faith, God can be understood to be working in extraordinary ways in each of our lives. Such miracles are signs of God's restoration of order in a disorderly, broken world. Many current popular books on miracles are either anecdotal or refer only peripherally to the biblical texts. This book gives serious attention to understanding Jesus' miracles in their socio-cultural context and then brings them into conversation with our own world. However, while *The Miracles of Jesus* draws upon a wealth of biblical scholarship, it is presented in a readable and accessible style. This is a book for those who want a serious, readable account of the details and implications of Jesus' miracles. **Jesus the Miracle Worker** Graham H. Twelftree, 1999-05-25 Graham

Twelftree extensively examines the miracles of each Gospel narrative. He weighs their historical reliability and considers the question of miracles and the modern mind. **The Wonder-Working God** Jared C. Wilson, 2014-07-31 Do you believe in miracles? Walking on water, multiplying the fish and the loaves, raising Lazarus from the dead. The miracles of Jesus may be well known, but they're often misunderstood. In *The Wonder-Working God*, pastor Jared Wilson wants to help us see that there's more than meets the eye when it comes to the miraculous events recorded in the Gospels. From the humble wonder of the incarnation to the blinding glory of the transfiguration, this book shows how Jesus's miracles reveal his divinity, authority, and ultimate mission: restoring us and this world to a right relationship with God. The Miracles of Jesus Vern S. Poythress, 2015-11-17 Christians often view Jesus's miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means that the stories of Jesus's miracles like the calming of the storm or the feeding of the 5 000 are relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for viewing all of Jesus's miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today

The Meaning in the Miracles Jeffrey John, 2001 Many explanations of the miracles recorded in the Gospels fall into one of two questionable categories unthinking acceptance or debunking which leaves only some vague moral lessons to be learned In this text Jeffery John sets the miracles of Jesus in a wider biblical context and shows them to be loaded with theological and prophetic relevance This broad perspective which brings together theological enquiry and the needs of personal faith should come as a revelation to many Christians searching for a proper understanding of Jesus miracles

Inside the Miracles of Jesus Jessica LaGrone, 2019-01-15 Jesus demonstrated the presence and power of God by performing miracles He turned water into wine healed the sick calmed the storm opened blind eyes and raised the dead While these beloved stories draw our attention to divine power Christ's miracles signify something deeper they re windows into God's grand story of human desperation and redemption Every time we see Jesus performing a miracle we also get a glimpse into the gift of desperation a gift that opens us to the dramatic power of God through our desperate need for him By explaining the meaning and significance of these miracles Jessica LaGrone shows us their relevance for our lives today She unpacks how understanding the meaning of Christ's miracles will help us better grasp the salvation God has brought into the world see that our weakness is an invitation for God to work powerfully in our lives and remind us that we need God on our best days just as much as we do on our worst
