*Miraculous Encounters* Michele A. Livingston, 2004-09-22 Internationally renowned clairvoyant and visionary Michele A. Livingston invited others to tell her about their direct messages from Heaven. These true stories will provide healing and reassurance to anyone grieving for lost loved ones and to those wondering about life after death. Angels and departed loved ones often communicate with us from subtle signs to dramatic visions and telepathic messages. Not only do angels exist and protect us when needed, they may even take human form. The author, known for her ability to see beyond the veil and receive messages from departed souls, adds commentary and reveals her incredible personal encounters. *Miraculous Encounters* will forever change your thinking about Heaven and uplift your soul for its continued journey in this world. **The Gift of Now**

Eleanor Vaughan, Judith Pierson, 2012-04-11 1 + 1 = God Michael Pietrzyk, 2017-06-15 What do you do when family and friends doubt the existence of God? How do you respond and are your Christian core beliefs on solid ground? Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus. Over three years, Mike read no less than eighty-four books by both Christian and atheist authors and reviewed multiple debates between Christians and atheists. In doing so, he established his common sense viewpoints that God's wisdom is present in this Universe. Mankind, Salvation, and the Supernatural. This book is a compilation of Mike's common sense viewpoints which are simple to understand. They are substantiated through the research writings of various Christian authors. The main concern of this book is that when your spirit leaves this life, you will have eternal happiness in the presence of Jesus. Validation of Mike's confirmation is his own supernatural experience of God's protection which was outside the boundaries of science. The atheist premise that nothing happens outside the rules of science falls apart with Mike's experience and the experiences of many, many others. This book is an excellent source not just if you are searching for answers about Christianity and atheism, but it's an affirmation that God is love. *When You Need a Miracle* Ann Spangler, 2010-09-11

Year after year, Ann Spangler has provided readers with uniquely appealing devotional books. *When You Need a Miracle* continues the tradition by selecting the best stories from her first two books, *An Angel a Day* and *A Miracle a Day*, to offer readers a picture of a God who is far bigger and better than most people think. By combining stories from the Bible with stories of contemporary men and women who have experienced miracles or angels, Ann helps readers recognize the hand of a loving, all-powerful God at work in this world of anxiety and uncertainty. Anyone who has longed for a miracle will take heart from the remarkable stories in this book. They remind us that even in the midst of trouble and trial, one thing remains true: We belong to a God who is eager and able to care for us through his wisdom, kindness, and unfailing mercy. Each of these ninety devotions opens with a key Scripture and closes with a prayer.
