overweight man charts fascinating new territory for everyone who has ever had a craving or counted a calorie The Hungry Years is a story of food fat and addiction that is both funny and heartwrenching I was sitting in a caf on the corner of 3rd Avenue and 24th Street in Manhattan holding a menu I was overweight In fact I was fat Like millions of other people I had entered into a pathological relationship with food and with my own body For years I had desperately wanted to write about why this had happened not just to me but to all those other people as well I knew it had a lot to do with food But I also knew it was connected to all sorts of outside forces If I could understand what had happened to me I could tell people what had happened to them too Right there and then I decided that I would do everything to discover why I had got fat I would look at every angle And then I would lose weight and report back from the slim world Excerpt from The Hungry Years *The Publishers Weekly* ,1983 **American Book Publishing Record** ,1962 **Surgery Obsessed** Emma K.
