*The Debate on Bilingualism*

KENJI HAKUTA

*Basic Books, Inc., Publishers*

NEW YORK

## Chapter 2

### *Bilingualism and Intelligence*

"YOU KNOW, I've always wondered. Is it good or bad for children to be bilingual?" This is the question I am most frequently asked. It comes up in my office with students and colleagues; at cocktail parties and during dinner conversations; at professional meetings of scholars and school teachers. My questioners often know of a child whose learning problems have been attributed to bilingualism. They have heard that using two languages in early childhood creates a split personality, a linguistic Jekyll and Hyde. They have also heard that bilingualism is a good thing, that it enriches the intellect, creates a multidimensional view of the world. "Tell me," they demand, "what is the truth?"

It is no wonder that the average person is confused, for scholars have made both claims: bilingualism is bad; bilingualism is

#### *Bilingualism and Intelligence*

On the other hand, Canadian researchers Elizabeth Peal and Wallace Lambert (1962) triumphantly drew a contrasting picture of the bilingual as

a youngster whose wider experiences in two cultures have given him advantages which a monolingual does not enjoy. Intellectually his experience with two language systems seems to have left him with a mental flexibility, a superiority in concept formation, a more diversified set of mental abilities. . . . In contrast, the monolingual appears to have a more unitary structure of intelligence which he must use for all types of intellectual tasks. (P. 20)

The primary objective of this chapter will be to look at the literature on "good" and "bad" bilingualism with respect to an elusive psychological construct called "intelligence." Since the turn of the century, psychologists have tried to develop objective instruments for measuring this construct, and researchers have used the performance of bilinguals on such measures as an indication of whether bilingualism is good or bad.

An overview of the hundreds of studies that compare the performance of bilinguals with monolinguals on various measures of intelligence reveals that research in the first half of this century was guided by the question of whether or not bilingualism has a negative effect on intelligence, while more recent work has been concerned with whether or not there is a positive effect. This shift in emphasis is related to the subject populations that were under study. The early work was conducted primarily in the United States with immigrant groups, and the recent work with middle-class populations in Canada and

## **Mirror Of Language The Debate On Bilingualism Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Mirror Of Language The Debate On Bilingualism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Mirror Of Language The Debate On Bilingualism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Mirror Of Language The Debate On Bilingualism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
