transcripts of lectures given at the Japan Information Culture Center Embassy of Japan Washington D C **The Mountain is Moving** Patricia Morley, 1999 In Imperial times in Japan women were subservient inferiors in theory they were liberated by the democratic constitution imposed by the US after World War II but in real life Japan change is glacially slow Here that slow changing reality is juxtaposed with the fast moving aspirations of Japanese women The author achieves this through wide ranging interviews with Japanese women and by using a range of contemporary Japanese literature *Modern Japan,*

Student Economy Edition Mikiso Hane, 2018-04-27 This book presents the essential facts of modern Japanese history It covers a variety of important developments through the 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments Keiretsu Economy - New Economy? R.

Kensy, 2001-04-02 This book combines a theoretical study of Japan's economic structures and multinational enterprises with a post modern analysis of the contemporary multinational enterprise The author considers the appropriateness of the post modern approach for discussing economic activities in particular the New Economy and also Japanese society and culture Kensy analyses Japan's economic structure interpreting its methods strategies and results in a post modern context and presents a survey of socio economic development in Japan since the beginning of westernization He goes on to discuss Japanese models for the transformation of society in the future with particular reference to the Keiretsu Finding Japan to be a truly postmodern society Kensy shows that Japan is prepared to be a leader in the New Economy Kensy takes an innovative and stimulating approach that will be of interest to those seeking to better understand the development and future of the economic structures of Japan *Modern Japan* Mikiso Hane, 2018-03-09 Integrating political events with cultural economic and intellectual movements Modern Japan provides a balanced and authoritative survey of modern Japanese history A

summary of Japan's early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fifth edition of Modern Japan is updated throughout to include the latest information on Japan's international relations including secret diplomatic correspondence recently disclosed on WikiLeaks This edition brings Japanese history up to date in the post 9 11 era detailing current issues such as the impact of the Gulf Wars on Japanese international relations the March 2011 earthquake tsunami and subsequent nuclear accident the recent tumultuous change of political leadership and Japan's current economic and global status An updated chronological chart list of prime ministers and bibliography are also included
