Mirroring Christs Splendor:

A Dictionary of Hymnology, Setting Forth the Origin and History of Christian Hymns of All Ages and Nations John Julian, 1907 **Christ--The Original Matrix** Timothy D. Carroll, 2020-10-02 In this book Timothy D Carroll unveils God as the source of being and integrating all the components of life demonstrating the essential connection points within humanity's relationship to the divine as portrayed within a matrix Presenting God as the universal Father of humanity he explains the significance of both the divine logos where God is seen face to face with himself and the humanity of the divine Timothy does this all while keeping the reader mindful of his own origin identity and destiny The unique blending of the spiritual and the theological makes this book profoundly accessible to both the young in faith and those who are mature from the idea of a spiritual matrix to insights into the doctrine of hell while closing the book with his own ninety five theses on universal reconciliation and love *A Dictionary of Hymnology, Setting Forth the Origin and History of Christian Hymns of All Ages and Nations.
