## **Mirrors Of God:**

The Brightest Mirror of God's Works Nico Vorster, 2019-03-28 John Calvin's perspectives on the nature calling and destiny of the human being is scattered all over his extensive corpus of writings. This book attempts to provide an accurate account of the main theological motifs that governed Calvin's doctrine on the human being while keeping in mind variable factors such as the historical development of Calvin's thought, the pastoral and often unsystematic orientation of his theology and the formative impact doctrinal controversies had on his thoughts. The contribution focuses specifically on Calvin's understanding of the created structure of the human being, her sinful nature, the human being's union with Christ, the limits of human reason, the anthropological roots of human society and gender. The primary aim is to make the original Calvin speak. But the contribution also addresses some of the most recent debates on Calvin's theology and identifies those impulses in his theological anthropology that bear potential for modern reflections on human existence. Like most of us, Calvin was a child of his time. However, his intellectual legacy endures and readers may well find his thoughts on the human being surprisingly refreshing and stimulating for modern anthropological and social discourses. God's House of Mirrors Jerry

Grieser, 2005-03 Grieser reveals to readers that the Lord is crazy about them. This life-changing book replaces Satan's deceptive reflections with God's scriptural image of them. **Mirrors of God** Edward Francis

Garesché, 1927 **Finding God in the Mirror** Sharon A. Lewis, 2008-10 Finding God in the Mirror deals with the mental and spiritual struggle we experience in confronting the need for change in our lives and finding our way back to an intimate relationship with God. Part One of this book talks about the importance of knowing who you are in God's eyes as opposed to the eyes of the world and encourages people to break away from the commonality of the world and to embrace peculiarity in the spirit. I reflect on different influences in the world that cause us to fall short of God's glory in our lives, such as fame, popularity, and materialism. I also focus on our failure to sacrifice, old ways, lack of devotion to prayer, and the downfall of seeking fulfillment in the arms of others instead of in the arms of God. Part Two of this book is dedicated to the acknowledgement of God's faithfulness. God is an attainable being who not only has all power and dominion in His hands but has more love in His heart than any other being. The Mirror of God B. Lamb, 2015-03-16 Have you ever wondered who you are and why you exist? The answer is found in perception. There are many mirrors and reflections in this world. Join us in this wild adventure as one young man discovers the Truth by getting proper perspective looking into the Mirror of God.
