Misbegotten Match:

A Misbegotten Match Rita Boucher, 2021-04-27 Sebastian Armitage is personally acquainted with the damage caused by secrets and lies Wanting nothing to do with the pain of his past the rakehell had broken all ties with England But when his elderly godmother falls ill her companion Amanda Westford summons him home Sebastian soon discovers that the prunes and prisms widow that he expected is not only young and beautiful but clearly harboring some secrets of her own Is it his godmother s fortune that is allowing Mrs Westford to live far beyond her means Amanda had vowed that she would never again accept desire without love Although Sebastian s infamous reputation had earned her scorn it is impossible to despise this charming handsome man who personifies temptation on two feet Amanda knows that only a fool would be seduced by the promise of passion with the man known as the Demon Rum Why then is she longing to play the fool Marriage of Convenience H.C. Douglas, 2015-03-10 To understand James Douglas defiant behavior at Bonnybraes it is important to learn a little of his aunt and her unwitting part therein Matilda Douglas was a proud and stubborn old woman who stood firm and unyielding on those matters where she held strong views Indeed Matilda held strong views on great many matters but none with more determination and vigour than on her nephews obligation to remarry and produce an heir for the family estates In fact she saw it as her bounden duty to ensure his doing so To this end Matilda had rounded up numerous eligible females of suitable background and breeding of course and these she trotted before James with increasing regularity To her chagrin the charms of these nubile maidens left her nephew quite unmoved and seemingly content to remain a childless widower Her constant harping and continued efforts in this area produced in James the opposite effect to that she desired it inspired in him a grim determination and stubbornness to match her own All her arguments pleading and cajolery fell on deaf ears The situation between them had reached a state that could best be termed stalemate and could well have remained so indefinitely but fate saw fit to take a hand in the game In the normal turn of events James would not have gone to Bonnybraes but when his aunt intimated her intention of having several young ladies to visit over the following two days he saw the business with Thomas Weir as a means of escape The look in Matilda s eye was warning enough for James it heralded another attack on his solitary state To say Matilda was annoyed when he told her he would be absent would be an understatement she was furious After all the whole point of the exercise was dependent on his being there The look of frustration on his aunt s face gave James a feeling of jubilation a glorious feeling of having triumphed over the old schemer He had outflanked her and with an added spring in his step joyfully he took his leave The mood stayed with him during the long ride to Bonnybraes and there can be little doubt that it had a great deal of bearing on his later actions **To Love a Libertine** Liana LeFey, 2016-05-30 London 1727 When Miss Eden Lowther catches the eye of Lord Percival Falloure Marquess of Tavistoke she s delighted for his wicked lordship is anything but boring The canny coquette who declined five suitors the season prior sets out to capture the infamous Terror of the Ton for keeps but the man she finds behind the facade isn t at all what she expects Having suffered
