Mischief And Mercy:

Everyman and Mankind Douglas Bruster, Eric Rasmussen, 2011-11-01 Everyman and Mankind are morality plays which mark the turn of the medieval period to the early modern with their focus on the individual Everyman follows a man's journey towards death and his efforts to secure himself a life thereafter whilst Mankind shows a man battling with temptation and sin often with great humour Both texts are modernised here and edited to the highest standards of scholarship with full on page commentaries giving the depth of information and insight associated with all Arden editions The comprehensive illustrated introduction argues that the plays signal the birth of the early modern consciousness and puts them in their historic and religious contexts An account is also given of the staging and performance history of the plays and their critical history and significance With a wealth of helpful and incisive commentary this is the finest edition of the plays available *Mischief And Mercy* Jean McClung, 1993-10-01 A collection of twelve stories based on the lives of saints and saintly figures including Francis of Assisi Joan of Arc and Valentine **A Scripture Account of the Faith of and Practice of Christians** Hugh Gaston, 1843 Early English Drama John C. Coldewey, 2016-07-22 This collection of plays from late medieval England includes a rich selection of noncycle plays and morality plays along with some of the better known pageants from the cycle plays and some theatrical fragments never before anthologized These plays and fragments illustrate the most widespread early theatrical practices in England and represent drama that fed directly into the Elizabethan theatrical experience
