Becker, 2015-01-30 Music has existed before the dawn of time Its source flows from the essence of God Himself and was created for the purpose of creating a melodious conduit from which could flow the highest form of praise and worship through created beings towards the creator Himself Lucifer who was created as an angelic being of praise and adoration to God was the most decorated of all His creation was a veritable angelic musical instrument When God created man He imparted to him His authority to have dominion over the earth and music was a part of that impartation Man fell however and gave his authority and thus the purpose and power of music back over to Satan Formerly Lucifer who has been perverting the purpose of music here on earth ever since As such down through the years many musicians even in ministry are entrapped by this exact same attitude of self pride in the name of popularity professionalism and or musicianship so that the ideals and agenda of the flesh the world and the enemy have eventually crept into Christian music and ministry This accounts for the wide spread division and destruction among so many Christian bands today and why so many people are so easily enthralled by sensuous music or a fleshly expression of it The result is that rather than being a ministry to others music has often become a means of self pleasure and promotion In other words a curse noise that God refuses to hear Away with the noise of your songs I will not

listen to the music of your harps Amos 5 23 God is urgently calling Christian music leaders and musicians today to take back what the enemy has been allowed to continue to steal kill and destroy through music for so long by stepping up and stepping out in the power of His anointing through the most powerful spiritual medium created the anointed message of the gospel through the lyrics and melody of music

for people The Christian Musicians Devotional is specifically for Christian musicians who desire extraordinary music ministries This book addresses the attitudes issues and difficulties involved with music ministry Each of the 365 daily devotions is designed to keep us focused on what really matters to love God and live His love for people Only by living love can we attain our goal of bringing people closer to Jesus More importantly only by maintaining a dynamic love for God can we sustain the extraordinary music ministry that God has planned for us The definition of a Christian music minister does not necessarily include being signed to a national label or a photograph on the cover of a well known magazine Many Christian music ministers will never be famous Most of us work another job to support our music Being a tent maker like the apostle Paul does not lessen the impact or the power of our ministry Likewise being paid to do full time work in our ministry like the apostle Peter does not eliminate the struggles of life as a musician Regardless of whether we work full time in ministry or as tent makers Christian music ministers must stay spiritually strong while working long hours both on and off the road The Christian Musicians Devotional will help us develop a deeper love for God and for people
