

THE
MIRACLE OF
**JIMMY
CARTER**
by Howard Norton
& Bob Slosser

Miracle Of Jimmy Carter

Michael Burgan

Miracle Of Jimmy Carter:

The Miracle of Jimmy Carter Howard Melvin Norton, Bob Slosser, 1976 Here is Jimmy Carter man of faith and politics as seen by two veteran newsmen Pulitzer Prize winner Howard Norton and former assistant new editor in Washington for The New York Times Bob Slosser **The Miracle of Jimmy Carter** Howard Norton, 1976 [Jimmy Carter Ten Miracles](#) Julie Ann Shaffer, 2023-12-12 Jimmy Carter Ten Miracles invites you on a riveting exploration of the extraordinary life of the 39th President of the United States From the humble origins in Plains Georgia to the global stage of political power this biography unveils ten pivotal miracles that define Jimmy Carter's legacy Discover the Camp David Accords a diplomatic marvel that bridged divides and witness Habitat for Humanity's transformative impact This book transcends politics offering a narrative that speaks to resilience compassion and the enduring power of principled leadership A captivating journey awaits you a narrative that not only chronicles a presidency but explores universal themes of empathy diplomacy and the relentless pursuit of a better world Join us in uncovering the extraordinary life of a man who even in his post presidential years remains a lifelong miracle worker Ten Miracles is more than a biography it's an exploration of the indelible impact one individual can have on the world Illuminate your shelves with this compelling story of leadership hope and the enduring belief that miracles are not elusive events but the outcomes of dedicated compassionate and principled lives [Jimmy Carter and the Birth of the Marathon Media Campaign](#) Amber Roessner, 2020-05-20 With the rise of Jimmy Carter a former Georgia governor and a relative newcomer to national politics the 1976 presidential election proved a transformative moment in U S history heralding a change in terms of how candidates run for public office and how the news media cover their campaigns Amber Roessner's [Jimmy Carter and the Birth of the Marathon Media Campaign](#) chronicles a change in the negotiation of political image craft and the role it played in Carter's meteoric rise to the presidency She contends that Carter's underdog victory signaled a transition from an older form of party politics focused on issues and platforms to a newer brand of personality politics driven by the manufacture of a political image Roessner offers a new perspective on the production and consumption of media images of the peanut farmer from Plains who became the thirty ninth president of the United States Carter's miraculous win transpired in part because of carefully cultivated publicity and advertising strategies that informed his official political persona as it evolved throughout the Democratic primary and general election campaigns To understand how media relations helped shape the first post Watergate presidential election Roessner examines the practices and working conditions of the community of political reporters public relations agents and advertising specialists associated with the Carter bid She draws on materials from campaign files and strategic memoranda radio and TV advertisements news and entertainment broadcasts newspaper and magazine coverage and recent interviews with Carter prominent members of his campaign staff and over a dozen journalists who reported on the 1976 election and his presidency With its focus on the inner workings of the bicentennial election [Jimmy Carter and the Birth of the Marathon Media Campaign](#) offers an incisive view of

the transition from the yearlong to the permanent campaign from New Deal progressivism to New Right conservatism from issues to soundbites and from objective news analysis to partisan commentary [The Presidency of James Earl Carter, Jr](#) Burton Ira Kaufman, Scott Kaufman, 2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president's foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn's activist role during his administration [The Real Jimmy Carter](#) Steven F. Hayward, 2004-03-19 Hayward reveals a man who he argues has been given a dangerously free pass by historians who is not only a failed ex president but as vindictive as he is egotistical and a self righteous busybody who leaves disaster in his wake [Who Fights for Reputation](#) Keren Yarhi-Milo, 2018-09-11 How psychology explains why a leader is willing to use military force to protect or salvage reputation In Who Fights for Reputation Keren Yarhi Milo provides an original framework based on insights from psychology to explain why some political leaders are more willing to use military force to defend their reputation than others Rather than focusing on a leader's background beliefs bargaining skills or biases Yarhi Milo draws a systematic link between a trait called self monitoring and foreign policy behavior She examines self monitoring among national leaders and advisers and shows that while high self monitors modify their behavior strategically to cultivate image enhancing status low self monitors are less likely to change their behavior in response to reputation concerns Exploring self monitoring through case studies of foreign policy crises during the terms of U S presidents Carter Reagan and Clinton Yarhi Milo disproves the notion that hawks are always more likely than doves to fight for reputation Instead Yarhi Milo demonstrates that a decision maker's propensity for impression management is directly associated with the use of force to restore a reputation for resolve on the international stage Who Fights for Reputation offers a brand new understanding of the pivotal influence that psychological factors have on political leadership military engagement and the protection of public prestige [Moral Minority](#) David R. Swartz, 2012-09-07 In 1973 nearly a decade before the height of the Moral Majority a group of progressive activists assembled in a Chicago YMCA to strategize about how to move the nation in a more evangelical direction through political action When they emerged the Washington Post predicted that the new evangelical left could shake both political and religious life in America The following decades proved the Post both right and wrong evangelical participation in the political sphere was intensifying but in the end it was the religious right not the left that built a viable movement and mobilized electorally How did the evangelical right gain a moral monopoly and why were evangelical progressives who had shown such promise left behind In Moral Minority the first comprehensive history of the evangelical left David R Swartz sets out to answer these questions charting the rise decline and political legacy of this forgotten movement Though vibrant in the late nineteenth century progressive evangelicals were in eclipse following religious controversies of the early twentieth century only to reemerge in the 1960s and 1970s They stood for antiwar civil rights and anticonsumer principles even as they stressed doctrinal and sexual fidelity Politically progressive

and theologically conservative the evangelical left was also remarkably diverse encompassing groups such as Sojourners InterVarsity Christian Fellowship Evangelicals for Social Action and the Association for Public Justice Swartz chronicles the efforts of evangelical progressives who expanded the concept of morality from the personal to the social and showed the way organizationally and through political activism to what would become the much larger and more influential evangelical right By the 1980s although they had witnessed the election of Jimmy Carter the nation s first born again president progressive evangelicals found themselves in the political wilderness riven by identity politics and alienated by a skeptical Democratic Party and a hostile religious right In the twenty first century evangelicals of nearly all political and denominational persuasions view social engagement as a fundamental responsibility of the faithful This most dramatic of transformations is an important legacy of the evangelical left

Jimmy Carter Peter G. Bourne,1997 An annual nominee for the Nobel Peace

Prize he embodies the qualities that the American public mourns having lost in its politicians integrity honesty ethics and dedication

President Jimmy Carter & the Camp David Accords Kevin M. Healy,1995 Why I Can Believe In Modern Miracles Gene E. Bradley,2004-12 This exciting documentary features many of today s courageous men and women who have conquered daunting challenges through a powerful Christian faith marvelous proof that prayer really does work

Miracle on Ice Michael Burgan,2016-01-01 1980 Winter Olympics hockey game for the gold between the United States and Soviet

Union **Oval Office Mysteries** Amelia Khatri,Al,2025-02-15 Oval Office Mysteries explores the untold stories and peculiar incidents within the most powerful room in the world offering a fresh perspective on American political history Going beyond traditional presidential biographies the book delves into how individual presidents personalities influenced their decision

making For example a president s superstition might affect interactions with advisors showcasing the human element behind major policy decisions It also examines unexplained events and persistent rumors surrounding the Oval Office distinguishing fact from embellishment The book uniquely demonstrates how the Oval Office s design and symbolism have shaped

presidential behavior and impacted global politics Did you know the specific layout of the room can subtly affect negotiations The narrative progresses by exploring the evolution of the Oval Office unusual interactions and case studies of presidents adapting the space to their leadership styles By focusing on these lesser known aspects Oval Office Mysteries provides profound insights into the presidency and the challenges of leadership

Life After the White House Clement E. Asante,2002-04-30 In 2000 for the first time in American political history four former presidents were still alive after serving in the White House This book critically and systematically examines press coverage of these four ex presidents for three years after they left office Through content analysis the volume draws together the tone and major themes in press coverage of stories about Gerald Ford Jimmy Carter Ronald Reagan and George H Bush The study serves as a useful historic document depicting the private lives of these former presidents from both parties as seen through the American press The book is a unique examination of the relationship between ex presidents and the press Examining the nature and scope of the

relationship between the press and ex presidents the study assumes that although they are out of office and thus out of the limelight ex presidents still have powerful influence domestically and internationally That influence makes it valuable to know how and with what intensity the press covers ex presidents This volume documents their post White House careers through the prism of the press enriching our understanding of life after the presidency **The Unfinished Presidency** Douglas Brinkley,1998 Hailed by Time magazine as a fascinating rich energetic American story this extraordinary biography will transform America s perception of Jimmy Carter Photos National radio telephone tour **Religion and the U.S. Presidency** Albert J. Menendez,1986 **Civil Religion & the Presidency** Richard V. Pierard,Robert Dean Linder,1988 **The Publishers Weekly** ,1895 **Jimmy Carter's Odyssey to Black Africa** Stan Grant,1980 **The World of Jimmy Carter** Timothy P. Maga,1994
