Miracles in the Last Days Walter P. Christley,1992-10 **Miracles Are for Today** Troy Edwards,2010-11 For centuries the place of miracles in the church has been debated This controversy remains in our day Numerous views and theological positions are advocated in defense or rejection of miracles for today There are some who believe they are for today some who outright deny their validity for today and some who remain unsure Even among those who believe that God has never ceased working miracles there are a number of perspectives ranging from the idea that they are rare that they are spontaneous and happen only at God s sovereign whim and then there are those who believe that a faith filled group of Christians who believe God s promises can experience them frequently In his book *Miracles Are For Today* Pastor Troy J Edwards refutes the idea that God s miracles are only for a past generation and explains from Scripture how God s people can experience frequent miracles in their corporate worship as well as within their personal lives Get ready to believe God for a miracle today Jesus the Miracle Worker Graham H. Twelftree,1999-05-25 Graham Twelftree extensively examines the miracles of each Gospel narrative He weighs their historical reliability and considers the question of miracles and the modern mind **Israel, the Church, and the Last Days** Asher Intrater,Dan Juster,2011-07-28 As the last days approach Dan Juster and Keith Intrater present an optimistic view for believers around the world A restoration of the Body of Christ is beginning to take place as the church asserts her unity power gifts and begins to establish the five fold ministry as found in the example of the first century church What is the key element for the Church in these last days as she asserts her power Establishing a saved remnant of Israel How does one help establish a saved remnant especially a saved Jewish remnant
