What the Bible REALLY Says About Peter Tullener,2020-01-21 The question of why bad things happen to good people is a very old and difficult question to answer It is a question that most people ask at some point in their lives It has also been used as an excuse for people not to believe in a loving God and not to follow His ways since the beginning of man s existence on the earth until today Many people have accepted Jesus Christ as their Lord and Savior only to turn away from Him because of some major tragedy or disaster that has happened to them or someone they know Some people have refused to believe in a loving God because they have had a disabled ill or stillborn child born to them or born to someone close to them Others because they have been unable to get what they really wanted out of life after trying their very best or even begging God for a particular thing for many years The biblical scriptures provide many answers to the reasons that these bad things happen to good and evil people The answers to some of these questions may surprise you but they will also bring you understanding and peace This book searches out and explains the many scriptures and hidden truths in the Christian Bible which all plainly and simply explain why bad things happen to good people
