might better assume his true name of Satan and let us call Apollo but Apollyon and recognize in Mars Hermes etc Beelzebub and Belial Then may the female divinities be true descendants of Lilith So one may learn from antiquity consider Leda Io Dana and others how great is the ardour felt by devils for mortal women As is not yet forgotten in 1662 near threescore years ago a woman called Greensmith living at Hartford in New England confessed the Devil had carnal knowledge of her For this she was hanged More strangely yet lived for brief space of years famous Doll Bilby best known as Bilby s Doll She flourished at Cowan Corners close by the town of Salem but an afternoon s journey from my own parish of Sudbury Of other women devil ridden be it Leda or Ry Greensmith or Dana Christie Goose or La Voisin little can be said for but little is known All were witches if we accept as witches such women as traffic with fiends but little else is known Yet of Bilby s famous Doll in the end all things were known From old wives tales court records and the diaries of certain men from the sworn affidavits and depositions of others from the demonologies of Mr Cotton Mather and the cipher journal of Mr Zacharias Zelley we may know with a nicety what this woman was and how she lived from whence she came how she grew to witchcraft how she felt thought and at the last how she died

**Witches Of The World** Jonathan Sutherland,2008-08-27 Today people have the freedom to practice their religions and this has been extended to modern witches who are free to practice Wicca which they regard as their religion without persecution while television shows such as Buffy the Vampire Slayer and Sabrina the Teenage Witch have become to be accepted as entertainment almost without comment For those who practiced witchcraft in the past however it would have meant immediate arrest torture and trial followed by a gruesome and agonizing death Every misfortune visited on humankind was laid at the door of so called witches and could be a stillborn child a deformed calf or a failed crop Many were executed because they fitted the accepted stereotype or merely because of the presence of a common blemish on their skin For Christians witchcraft came to be

equated with heresy It was believed that witches used evil spirits to help them in their service of the Devil and bizarre tests were devised to ensure that they were identified Yet witchcraft could be seen merely as vestiges of old pagan religions by which man once sought to understand and control nature and which were largely swept aside by the more formal and developed monotheistic religions But today elements of paganism have survived by a belief in good and evil magic fertility rituals and the efficacy of curses and charms
