*Literature for Young Adults* Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read. It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes, protagonists and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, Literature for Young Adults includes chapters on literary nonfiction, poetry, short stories and drama, cover art, picture books, illustrated literature and graphic novels and film. It recognizes that while films can be used to complement print literature, they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language, including traditional elements as well as metafictive terms, enables readers to share in a literary conversation with their students and others when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

**Gilgamesh** Emily H. Wilson, 2024-08-06 The second book in the enthralling and lyrical Sumerians trilogy retelling the Epic of Gilgamesh, perfect for fans of Madeline Miller, Lucy Holland and Jennifer Saint. Now is the time for the gods of war. Gilgamesh, soon to be crowned King of Uruk, travels north to find his homelands in flames and his family on the run. A blood red moon brings warnings of a new kind of war and in the far north the enemies of Sumer are massing. Inanna and Ninshubar sail south to take their revenge upon Enki, the king of the water gods. Armed with the master key and struggling to understand its true nature, Inanna will face impossible demons in her quest to fully comprehend the power she has inherited. Meanwhile, Ereshkigal, queen of the underworld, has a mysterious visitor. This dark stranger brings with him the threat of dangers far more terrible than Enki or even Sumer's warlike neighbours. Because a long time ago, in a realm faraway, a little girl was taken from her family. Now a vengeance long prophesied is about to unfold. As the forces of chaos rise across the riverlands, Gilgamesh must battle against overwhelming odds to save the city he loves and the Anunnaki will soon discover that no one can escape the sins of the past. Not even the gods.
