Rosinsky,2008 An introduction to the craft of myth writing **Encyclopedia of Religion and Film** Eric Michael Mazur,2011-03-08 Comprising 91 A Z entries this encyclopedia provides a broad and comprehensive introduction to the topic of religion within film Technology has enabled films to reach much wider audiences enabling today's viewers to access a dizzying number of films that employ diverse symbolism and communicate a vast array of viewpoints Encyclopedia of Religion and Film will provide such an audience with the tools to begin their own exploration of the deeper meanings of these films and grasp the religious significance within Organized alphabetically this encyclopedia provides more than 90 entries on the larger religious traditions the major film producing regions of the globe the films that have stirred controversy the most significant religious symbols and the more important filmmakers The included topics provide substantially more information on the intersection of religion and film than any of the similar volumes currently available While the emphasis is on the English speaking world and the films produced therein there is also substantial representation of non English non Western film and filmmakers providing significant intercultural coverage to the topic **Mythmaking across Boundaries** Züleyha Çetiner-Öktem,2016-04-26 This volume explores the dynamics of myths throughout time and space along with the mythmaking processes in various cultures literatures and languages in a wide range of fields ranging from cultural studies to the history of art The papers brought together here are motivated by two basic questions How are myths made in diverse cultures and literatures And do all different cultures have different myths to be told in their artistic pursuits To examine these questions the book offers a wide array of articles by contributors from various cultures which focus on theory history space place philosophy literature language gender and storytelling Mythmaking across Boundaries not only brings together classical myths but also contemporary constructions and reconstructions through different cultural perspectives by transcending boundaries Using a wide spectrum of perspectives this volume instead of emphasising the different modes of the mythmaking process connects numerous perceptions of mythmaking and investigates diversities among cultures languages and literatures viewing them as a unified whole As the essays reflect on both academic and popular texts the book will be useful to scholars and students as well as the general reader **Children's Books** ,1978 *The Myth Connection* Chitra Sankaran,1993 **As the Goose Flies** Katharine Pyle,2023-10-19 In As the Goose Flies Katharine Pyle masterfully intertwines the charm of folklore with the

intricacies of human emotion and nature. This enchanting narrative rich in vivid imagery and lyrical prose invites readers on a journey through the heart of rural America reflecting the friendship between humans and wildlife. Pyle's literary style is deeply influenced by her fascination with the natural world as well as her desire to convey deeper ethical and moral values which resonate throughout her work offering a poignant exploration of community and the passage of time. Katharine Pyle, a prominent figure in the early 20th century American literature, drew upon her rich background in illustration and storytelling to craft narratives that appeal to both the young and the mature reader. Her exploration of various themes such as kinship with the earth and the interconnectedness of all beings is particularly evident in this work. Pyle's upbringing surrounded by nature and her artistic inclinations paved the way for a unique storytelling approach that blends fantasy with realism. As the *Goose Flies* is a remarkable addition to the canon of American children's literature and it beckons to readers of all ages to reconnect with nature and the world around them. This book not only entertains but also imparts valuable life lessons making it a quintessential read for those who appreciate the beauty of storytelling and the profound messages interwoven within.
