**The Complete Book of 1990s Broadway Musicals** Dan Dietz, 2016-09-29 Musicals of the 1990s felt the impact of key developments that forever changed the landscape of Broadway. While the onslaught of British imports slowed down, the so-called Disneyfication of Broadway began a trend that continues today. *Beauty and the Beast* and *The Lion King* became long running hits followed by more family friendly musicals. The decade was also distinguished by a new look at revivals instead of slavishly reproducing old shows or updating them with campy values. Broadway saw a stream of fresh and sometimes provocative reinventions including major productions of *My Fair Lady*, *Damn Yankees*, *Carousel*, *Show Boat*, and *Chicago*. In *The Complete Book of 1990s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. This book discusses the era's major hits, *Miss Saigon*, *Crazy for You*, *Rent*, notorious flops *Shogun*, *Nick*, *Nora*, *The Red Shoes*, controversial shows *Passion*, *The Capeman*, and musicals that closed during their pre-Broadway tryouts, *Annie*, *2 Miss Hannigan*, *s Revenge*, *Whistle Down the Wind*. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal appearance revues with such performers as Sandra Bernhard, Michael Feinstein, Patti LuPone, Liza Minnelli, and Mandy Patinkin. Each entry contains the following information:

Plot summary	Cast members	Names of all important personnel	including writers, composers, directors, choreographers, producers and musical directors	Opening and closing dates	Number of performances	Critical commentary	Musical numbers and the performers who introduced the songs	Production data including information about tryouts	Source material	Tony awards and nominations	Details about London and other foreign productions	Besides separate entries for each production, the book offers numerous appendixes including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions.	A treasure trove of information, <i>The Complete Book of 1990s Broadway Musicals</i> provides a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.
