## **None Shall Divide Us:**

*None Shall Divide Us* Michael Stone,2014-05-31 Michael Stone was born in East Belfast in 1955 In 1988 he was sentenced to 800 years in prison He served twelve years in the Maze prison before being released under the terms of the Good Friday Agreement He is now an artist and proponent of the peace process

## **Counterinsurgency and Collusion in Northern Ireland**

Mark McGovern,2019-03-20 Collusion by British state forces in killings perpetrated by loyalist paramilitaries was a dubious hallmark of the dirty war in the north of Ireland Now more than twenty years since the Good Friday Agreement the story of collusion remains one of the most enduring and contentious legacies of the conflict a shadow that trails British counterinsurgency to this day Here Mark McGovern turns back the clock to the late 1980s and early 90s the endgame of the Troubles and a period defined by a rash of state sanctioned paramilitary killings Drawing on previously unpublished evidence and original testimony from victims families and eyewitnesses he examines several dozen killings of republicans that took place in the Mid Ulster area and the impact on their families and communities Placing these accounts within a wider critical analysis of the nature of British counterinsurgency and the state use of agents and informers

McGovern paints a damning picture of covert deniable and unlawful violence

## **Crimes of Loyalty**

Ian S. Wood,2006-05-19 Sectarian murder torture bloody power struggles and racketeering are what for many define their image of the Ulster Defence Association Yet as Northern Ireland s Troubles worsened in 1971 and 1972 it emerged with a mass membership to defend Loyalist areas against the IRA and to uphold the Union with Britain By 1974 it was able to defy the will of an elected government and it went on to formulate political strategies for working class Loyalism Ian S Wood uses his specialist knowledge as well as extensive interviews to recount these events and the ruthless war waged by the UDA on the nationalist community He explores issues such as the UDA s descent into criminality and its relationship with the secret war conducted by Britain s undercover services and he assesses what impact the organisation had on the outcome of Europe s worst political and ethnic conflict between 1945 and the break up of the Soviet Union and Yugoslavia after 1990

McAuley,2015-12-03 Challenging traditional narrow views this unique work proposes to rethink and reinterpret Ulster loyalism from the beginning of the Troubles to the present day by tracing its religious paramilitary political and community influences The work examines the core values of loyalist communities the roots of violence and the shift toward peaceful coexistence with former enemies Also discussed are the DUP's claims that it represents loyalism's true voice along with the complex and varying degrees of commitment to the Crown the Protestant Faith and the British governance of Northern Ireland Lastly it looks at how cultural expressions of loyalist identity such as poetry or cartoons are being used in the reconstruction of a loyalist memory Written by a leading expert on Ulster loyalism the work is based on extensive interviews with loyalists and loyalist literature to provide an inside account of the processes of loyalist identity formation and transformation Drawing on political science sociology and cultural studies it will appeal to anyone interested in Irish politics as well as conflict and peace processes    Parochial and Cathedral Sermons Edward Bouverie Pusey,1892    Arabella
