Challenges in Digital Literacies Rodney H. educators students and researchers to collaboratively develop practical strategies to challenge the logics of technological and social systems cultivating new literacies for an age of online misinformation algorithmic governance and generative AI Open Access for this book was funded by the University of Reading UK The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
