RICHARD RAMIREZ – *The Night Stalker* | AILEEN WUORNDIS – *The Truckstop Killer*

—some of the most frightening, cold-blooded killers the world has ever known. Countless books have been written documenting them and their depraved acts. But no-one has ever told what it was like for the detectives—the inside story of how some of the most difficult cases in the history of policing were solved—until now. These often forgotten men and women sacrificed years of their lives, ruined their relationships and suffered mentally and physically for just one goal—to bring killers to justice. *Murder Trail* re-tells the story, from the good guys' perspective.
