of surprise but no it doesn't. The story is fast paced, gripping, emotional, and steamy. I can't recommend this book highly enough, and I will be adding this epic author to my fave list. It grabbed my attention, and I seriously couldn't put it down until I finished it that same day. The plot was excellent. Definitely different from anything I've read. All the characters were well thought out, and I felt like I really knew them. This book just sucked me in. I just cannot say enough good things. This author goes to the top of my fave list. I will never look at a paranormal book about vampires the same again. This book deals with humans, mutant humans, vampires, mutant vampires, a New World Order after a nuclear war, and the hatred between the groups. What happens throughout this book had me unable to put it down, but man, alive, it was intense. One of those reads that if I said anything else about this book, I would be giving away key pieces. There are so many things going on in this book. Things that I did not expect to happen, did. Things that I did expect to happen, did not. The intrigue, mystery, and thrills in this book kept me on my toes. This book was so good. From the first page, I was hooked, and it only got better. The romance was sweet and a bit forbidden. The story was intense and fast paced, and kept my attention the entire time. The characters were very well developed and relatable. I just really enjoyed this story and highly recommend it. *Vampire Witch* by Eileen Sheehan is a steamy new adult novel guaranteed to smoke your socks off if you like hot vampire romance. This story is told beautifully. Pick up this book. You will not be disappointed. Well worth 5 stars.
