Opus Deorum:

Opus Deorum Jim French, 1992 Observing the international success of his bestselling book *Men State of Man* is proud to announce the publication of Jim French's ultimate visual masterpiece Truly a work of the gods *Opus Deorum* features many of the most breathtaking men ever photographed These provocative images are both a celebration of the male body and a virtuoso collection from the great master of masculinity *State of Man* Selva J. Raj, Corinne G. Dempsey, 2010-01-12 Frivolity isn't always frivolous sometimes it can be sacred *Sacred Play* uncovers levity and playfulness in a variety of South Asian traditions where one might least expect to find it in the heart of ritual While stories recounting the antics of various South Asian deities circulate widely this enlightening book intentionally departs from divinity-centered humor to focus on the playfulness of humans and their religious practices This grassroots levity is both serious and lighthearted it can be highly scripted or spontaneous and cast in shades of light or dark humor Case studies of Hindu Muslim Christian and Buddhist rituals examine instances of levity that challenge social or religious norms in which mischievous deities inspire similar behavior among their devotees and where playful competition incites serious consequences *Sacred Play* explores how piety and levity can complement and complicate one another enriching our understanding of both Selva J. Raj 1952-2008 was Chair and Stanley S. Kresge Professor of Religious Studies at Albion College His books include *Dealing with Deities: The Ritual Vow in South Asia* also published by SUNY Press and *South Asian Christian Diaspora: Invisible Diaspora in Europe and North America* Corinne G.
