The Marketplace Annotated Bibliography Pete Hammond,2011-03 Every workday millions of Christians enter the marketplace Whether as sales associates or engineers auto mechanics or executives Christians are called to serve God in the workplace But most need help integrating faith and work How can you be salt and light on the job Where can you turn for help in developing a biblical and satisfying view

After Sunday Armand Larive,2004-05-01 Many people devote themselves to their work And it is an easy step from there to show that this devotion has a strong religious bent But does it follow that devotion to work is bending the knee to idolatry giving service to mammon This book says no not necessarily In many cases human work is co creative with the Creator Why then is there so little effort to explore the theological dimension of everyday work The principal impediment to a proper theological understanding of work is the church s voracious appetite to concentrate everything onto Sunday and its own institutional needs The kingdom of God gets foreshortened to ecclesiastical boundaries so that the shop floor the foundry or the lumberyard and all other places of work are out of bounds Another impediment keeps the doctrine of the laity too anemic to possess a creativity of its own This book lays a positive theological framework for a Christian understanding of work be it manual intellectual service related or not It does this chiefly around the doctrine of the Trinity It then turns to show how this system can underpin an ethics and spirituality of work

Believers in Business Laura L. Nash,1994 In this study of over 65 CEOs and top executives author Laura Nash probes how Christian business managers integrate faith with a successful life at work Through her interviews with business leaders Nash discovers that religion can play a vital part in business leadership by helping establish ethical standards and guide everyday business decisions
