## **Orestes Brownson:**

[The Works of Orestes A. Brownson: Politics](#) Orestes Augustus Brownson,1885      [The Works of Orestes A. Brownson: Literary criticisms](#) Orestes Augustus Brownson,1885      **The Works of Orestes A. Brownson: Controversy** Orestes Augustus Brownson,1884      *Orestes A. Brownson* Patrick W. Carey,2004 Orestes Augustus Brownson 1803 1876 was a philosopher essayist and minister whose broad ranging ideas both reflected and influenced the social and religious mores of his day This superb biography by Patrick Carey provides a thorough incisive account of Brownson s shifting intellectual and religious life within the context of American cultural history Based on a close reading of Brownson s diary notebooks letters essays and books this biography chronicles the course of Brownson s eventful life particularly his restless search for a balance between freedom and communion in his relations with God nature and the human community Yet Carey s work is more than an excellent account of one man s development it also portrays the face of an important period in American religious history What is more 200 years after Brownson s birth America is marked by the same pressing social and religious issues that he himself addressed religious pluralism changing religious identifications culture wars military conflicts and challenges to national peace and security Carey s book shows how Brownson s values and ideas transcend his own time period and resonate helpfully with our own      [The Works of Orestes A. Brownson: Religion and society](#) Orestes Augustus Brownson,1883      **Orestes Brownson** Orestes Brownson,2015-08-29 Enjoy this handsome addition to your Greatest Books Collection for self study and to grace your intellect and ever growing home library An indispensable accompaniment to the History Law and Politics Collection in 1844 Brownson turned his back on honors and popularity to become a Catholic At the end of 1842 the Boston Quarterly Review was merged in the U S Democratic Review of New York a monthly publication to each number of which Brownson contributed and in which he set forth the principles of Synthetic Philosophy and a series of essays on the Origin and Constitution of Government which more than twenty years later he rewrote and published with the title of The American Republic Brownson offered the maturing American Republic a new view of Christianity in which he objected to Protestantism that it is pure materialism to Catholicism that it is mere spiritualism and exalts his Church of the Future as the synthesis of both Charles Elwood Boston 1840 Following his conversion Brownson began to see Catholicism as the only religion that could restrain the self love of the average American and thereby ensure the success of democracy Like his pilgrim forebears he saw renewed Christian America as a model to the world Upon adopting the Catholic faith he subsequently repudiated his earlier socialist ideas supported the union as well as emancipation and also encouraged Christian patriotism Join the increasing numbers of Christians who are re examining the writings of Orestes Augustus Brownson for ideas and inspiration related to the Christian renewal of America      **The Catholic Writings of Orestes Brownson** Michael P. Federici,2018-11-30 This collection of thirteen original essays by Orestes Augustus Brownson 1803 1876 a major political and philosophical figure in the American Catholic intellectual tradition presents his developed political

theory in which he devotes central attention to connecting Catholicism to American politics. These writings which date from 1856 to 1874 cover not only his conversion to Catholicism after experimenting with a variety of religious and political beliefs but also slavery the Civil War Reconstruction the era of Jacksonian democracy and a host of social political and economic issues. During this time Brownson became one of the nation's leading thinkers and critics. Although faced with a dominant Protestant culture Brownson argued for a political and social culture influenced by his deeply held Catholic faith. He defended Catholicism from the common charge that it was incompatible with American constitutionalism and in fact argued that it was the only spiritually viable foundation for American politics. He defended the political theory and institutions of the American framers applauding their realistic view of human nature and the importance of both virtue in political leaders and checks and restraints in their constitutional structures. He opposed the rising influence of populist democracy by explaining its flawed assumptions about human nature and the possibilities of politics. Michael P Federici's well written introduction situates these essays within a coherent theme and explains how these essays are especially relevant to contemporary debates about populism race American exceptionalism and the relationship between religion and politics. The book will interest students and scholars of American political thought as well as those with an interest in religion and politics.
