**Optimization-based Computer-aided Modelling and Design** ,1992      Optimization-Based Computer-Aided Modelling and Design Adriaan J M Beulens,Hans-Jurgen Sebastian,2014-01-15      Optimization Based Computer Aided Modelling and Design Adrian J. M. Beulens,1994      **Optimization-Based Computer-Aided Modelling and Design** IFIP TC 7.6 Working Group. Working Conference,1992 The working conference dealt with recent developments in the field of modelling and optimization and with knowledge based decision support systems This contributed to the realization of the aims of the working group 7 6 which are to promote theoretical research in the field of optimization including mathematical programming and optimal control to encourage the development of sophisticated knowledge based systems in which refined optimization models and algorithms are used to contribute to the exchange and dissemination of information and collective experience among the interested groups and individuals to support the practical application of such systems in control engineering industry economy etc A selection of papers is included into this proceedings volume since they reflect the current state of research in areas of interest to the field of KB DDS and or they are the value for the dissemination and exchange of information related to research topics of interest and or they describe relevant practical experience related to designing building implementing and using KB DSS      New Trends in Mathematical Programming F. Giannessi,Sándor Komlósi,Tamás Rapcsák,2013-11-11 Though the volume covers 22 papers by 36 authors from 12 countries the history in the background is bound to Hungary where in 1973 Andras Pn kopa started to lay the foundation of a scientific forum which can be a regular meeting spot for experts of the world in the field Since then there has been a constant interest in that forum Headed at present by Tamas Rapcsak the Laboratory of Operations Research and Decisions Systems of the Computer and Automation Institute Hungarian Academy of Sciences followed the tradition in every respect namely conferences were organized almost in every second year and in the same stimulating area in the Matra mountains The basic fields were kept providing opportunities for the leading personalities to give voice to their latest results The floor has been widened recently for the young generation ensuring this way both a real location for the past present and future experts to meet and also the possibility for them to make the multicoloured rainbow of the fields unbroken and continuous The volume is devoted to the memory of Steven Vajda one of the pioneers on mathematical programming born in Hungary In 1992 he took part in the XIth International Conference on Mathematical Programming at Matrafire where with his bright personality he greatly contributed to the good spirituality of the event We thank Jakob Krarup for his reminiscence on the life and scientific activities of late Steven Vajda      **Kybernetika** ,1994      **Scientific and Technical Aerospace Reports** ,1989
