Dept. of Transportation,1974 *The Orange Line* CREATESPACE,Wayne Fuller,2002-05 The Orange Line by Wayne Fuller takes place in Memphis Tennessee beginning with the bombing of Pearl Harbor on December 7 1941 The Orange Line has nothing to do with the color of orange It had everything to do with a friendship The main characters Rabbit Crazy Fatso Stinky and Sammy are nine years old when the story begins This book takes you through their growing up with laughter tears and pride but mostly laughter See how discrimination affected their lives and how they overcame it with love and friendship Friendship that made a difference all because they met at The Orange Line *The orange line* ,2022 These photographs are of a community that lived and worked along the southern route of Boston Public Transportation s Orange Line an antiquated clattering overhead railway that was constructed in 1901 The pavement vibrating din of this deteriorating railway its unsightliness its increasing crime rate and its inefficiency depressed property values in the neighbourhoods that it served An unintended consequence was affordable housing for this largely low income population In 1985 the southern section of the Orange Line was scheduled for demolition and rerouting which seeded fears of rising rents possible displacement and the loss of public transportation to metropolitan Boston Change seemed imminent and displacement probable These 8x10 camera photographs were made in the interest of preserving some record of the people who lived and
