Orchid Blues Stuart Woods,2002-10-01 Stuart Woods brings back small town police chief Holly Barker and her extraordinary Doberman Daisy for another exhilarating adventure in this New York Times bestseller When Holly Barker's wedding festivities are shattered by a brutal robbery she vows to find the culprits With nothing to go on but the inexplicable killing of an innocent bystander Holly discovers evidence that leads her into the midst of a clan whose members are as mysterious as they are zealous Holly's father Ham a retired army master sergeant is her ticket into their strange world What he finds there boggles the mind and sucks them all Holly Ham and Daisy into a whirlpool of crazed criminality from which even the FBI can't save them **Black Orchid Blues** Persia Walker,2011-03-22 Lanie Price a 1920s Harlem society columnist witnesses the brutal nightclub kidnapping of the Black Orchid a sultry seductive singer with a mysterious past When hours pass without a word from the kidnapper puzzlement grows as to his motive After a gruesome package arrives at Price's doorstep the questions change Just what does the kidnapper want and how many people is he willing to kill to get it Publisher

Orchid Blues ,2001 **The Orchid Review** ,1897 **Orchid Blues 290p** Stuart Woods,2001 **The Dewey Decimal System** Nathan Larson,2011-04-19 This tale of a book loving tough guy in a decimated Manhattan is like Motherless Brooklyn dosed with Charlie Huston Delirious and haunting Megan Abbott author of Give Me Your Hand After a flu pandemic a large scale terrorist attack and the total collapse of Wall Street New York City is reduced to a shadow of its former self As the city struggles to dig itself out of the wreckage a nameless obsessive compulsive veteran with a spotty memory a love for literature and a strong if complex moral code that doesn't preclude acts of extreme violence has taken up residence at the main branch of the New York Public Library on Forty second Street Dubbed Dewey Decimal for his desire to reorganize the library's stock he gets by as bagman and muscle for New York City's unscrupulous district attorney He takes no pleasure in this kind of civic dirty work He'd be perfectly content alone amongst his books But this is not in the cards as the DA calls on Dewey for a seemingly straightforward union busting job What unfolds throws Dewey into a mess of danger shifting allegiances and old vendettas forcing him to face the darkness of his own past and the question of his buried identity The Dewey Decimal System is proof positive that the private detective will remain a serious and seriously enjoyable literary archetype PopMatters **The Nervous System** Nathan Larson,2012-07-03 While tying up loose ends from his employer's murder Dewey finds information on a senator's involvement in a Korean prostitute's murder and becomes a target of the Korean community and the Cyna corps stormtroopers a private military corporation *The Price of Escape* David Unger,2011-04-19 When Samuel flees Nazi Germany in 1938 to join his brother in Guatemala he believes he will be able to begin a new life but once he arrives he finds life there is not what he expected **Choke** Stuart Woods,2010-11-02 A standalone novel from Stuart Woods the 1 New York Times bestselling author of the Stone Barrington and Holly Barker series Murder is not a spectator sport Chuck Chandler has choked on more than one occasion first as a pro tennis player at

Wimbledon then as a womanizing coach at posh tennis clubs around the country Now at Key West s Old Racquet Club Chuck gets involved with the wrong married woman the enticing Clare Carras married to an enigmatic older man and soon he is in way over his head Enter Tommy Sculley a retired New York homicide detective who has just joined the Key West force and his young green partner Daryl Haynes who turns out to be smarter than he looks Up to their necks in an investigation of a bizarre apparent homicide the two detectives barely keep afloat in murky waters Events take them from the Florida Keys to Los Angeles and back as a plot emerges that involves not only the dangerous Clare but a furious West Coast mob boss determined to get back what is his at any cost

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

Orchid Blues Introduction

In the digital age, access to information has become easier than ever before. The ability to download Orchid Blues has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Orchid Blues has opened up a world of possibilities. Downloading Orchid Blues provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Orchid Blues has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Orchid Blues. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Orchid Blues. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Orchid Blues, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Orchid Blues has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
