## **Ordered Steps:**

**Ordered Steps** Amalia K. Amaki, 2025-06-27 Dr Audrey Forbes Manley's journey arcs from Mississippi cotton fields to the highest levels of American medicine. Born in Depression era Jackson she was four when her beloved grandmother was rushed from their home and never returned. Moments earlier Audrey had vowed to become a doctor and help people like you. That promise sustained by deep faith carried her through poverty family upheaval and the barriers of race and gender. After graduating from Spelman College and Meharry Medical College Manley forged a 40 year career in pediatrics and public health. She shattered ceilings as the first African American woman appointed Assistant Surgeon General and later served as Acting Surgeon General of the United States championing sickle cell research women's health and equitable access to care. Her leadership in the U.S. Public Health Service garnered high decorations and inspired countless Black physicians especially women. Returning to her alma mater in 1997 Manley became Spelman's eighth and first alumna president. Over five transformative years she strengthened finances, expanded the campus, modernized facilities and attracted distinguished faculty all while instilling her conviction that faith, scholarship and service can change lives. From the cotton rows of Mississippi to the Surgeon General's office and the presidency of Spelman College Dr Audrey Forbes Manley embodies resilience, purpose and the healing power of vision guided by grace.

### **Ordered Steps: A Testimony of Prophetic**

**Synchronicity** Mike Killion, 2012-05-01 God intervenes in the lives of His children. Then the children write their testimonies to tell the world what their Daddy has done for them. This is the subject of Mike Killion's first book ORDERED STEPS A Testimony of Prophetic Synchronicity. The children of Israel erected stone monuments to teach their children how a brooding father stepped up to deliver them from their predicaments and guided them along the way. This is exactly why this book was written to teach both old and young what God in heaven stands ready to do for us in this world. You will read of instances of detailed communication and in time deliverances in the life of one who seeks after all that God has for them. It will build your faith and make you hungry for the deeper and higher things that God longs to give to us.

### **Ordered Steps** Marichal

Monts, 2014-10-31 Life comes with its trials circumstances that could bring us to our knees but could also strengthen us for the journey ahead. The hope is in knowing that God is in control of those trials encouraging us to walk by faith in Him and not by sight. The new book by Marichal Monts Ordered Steps draws on every Christian's chief focus in life discovering our purposes in life and callings in God's ultimate plan. Marichal uses stories of his personal testimony to show that he has been in the shoes of each reader worrying over the path ahead but realizing God directs the steps. He promotes embracing an eternal perspective towards life one that relies on the steps ordered by the Lord and having confidence that God will work everything for good. Everyone goes through seasons in life but knowing God has our paths in hand will bring divine peace.
