Janatta,2000-01-01      Urban Squares as Places, Links and Displays Jon Lang,Nancy Marshall,2016-07-15 To attract  
investment and tourists and to enhance the quality of life of their citizens municipal authorities are paying considerable  
attention to the quality of the public domain of their cities including their urban squares Politicians find them good places for  
rallies Children consider squares to be playgrounds the elderly as places to catch up with each other and for many others  
squares are simply a place to pause for a moment Urban Squares as Places Links and Displays Successes and Failures  
discusses how people experience squares and the nature of the people who use them It presents a typology of squares based  
on the dimensions of ownership the square s instrumental functions and a series of their basic physical attributes including  
size degree of enclosure configuration and organization of the space within them and finally based on their aesthetic  
attributes their meanings Twenty case studies illustrate what works and what does not work in different cities around the  
world It discusses the qualities of lively squares and quieter more restorative places as well as what contributes to making  
urban squares less desirable as destinations for the general public The book closes with the policy implications stressing the  
importance and difficulties of designing good public places Urban Squares offers how to guidance along with a strong  
theoretical framework making it ideal for architects city planners and landscape architects working on the design and  
upgrade of squares      *Brigham Young University Periodicals and Serials Catalog* J. Reuben Clark, Jr., Library,1974      **New**
