**The New Reformation** Shai Linne, 2021-05-18 In the sixteenth century the church faced a doctrinal crisis Today the crisis is race We all know that racial unity is important But what s the right way to approach it How can Christians of different ethnicities pursue unity in an environment that is so highly charged and full of landmines on all sides In *The New Reformation* Christian hip hop artist Shai Linne shows how the gospel applies to the pursuit of ethnic unity When it comes to ethnicity Christians today have to fight against two tendencies idolatry and apathy Idolatry makes ethnicity ultimate while apathy tends to ignore it altogether But there is a third way the way of the Bible Shai explains how ethnicity the biblical word for what we mean by race exists for God s glory Drawing from his experience as an artist theologian church planter and pastor Shai will help you chart a new way forward in addressing the critical question of what it means for people of all ethnicities to be the one people of God

**The New Reformation** Greg Ogden, 1991-11 There are serious matters on the unfinished agenda of the Reformation that demand urgent attention in our own day One of the most critical of these is the theme of this book the ministry of all believers whether lay or ordained male or female Roberta Hestenes President Eastern College

*95 Theses for a New Reformation* Aaron Hebbard, 2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating family or address the downward spiraling culture with a prophetic voice *95 Theses for a New Reformation* confronts the necessity for reformation today head on Over thirty of today s pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his own glory and for the purification of Christ s beloved bride the church And let us prepare ourselves to respond with urgency to God s call to action by reforming the church family and culture Contributors include John Frame John MacArthur R C Sproul Peter J Leithart and James White

*The Present Future* Reggie McNeal, 2009-03-23 In this provocative book author consultant and church leadership developer Reggie McNeal debunks these and other old assumptions and provides an overall strategy to help church leaders move forward in an entirely different and much more effective way In *The Present Future* McNeal identifies the six most important realities that church leaders must address including recapturing the spirit of Christianity and replacing church growth with a wider vision of kingdom growth developing disciples instead of church members fostering the rise of a new apostolic leadership focusing on spiritual formation rather than church programs and shifting from prediction and planning to preparation for the challenges of an

uncertain world McNeal contends that by changing the questions church leaders ask themselves about their congregations and their plans they can frame the core issues and approach the future with new eyes new purpose and new ideas
