New Testament Foundations Ralph P. Martin, 1975      **New Testament Foundations** Ralph P. Martin, Carl N. Toney, 2018-09-12 Drawing upon over fifty years of scholarly experience of one of the most industrious contemporary scholars this work which was first published in 1975 has been revised updated and expanded to offer a fresh in depth introduction to the New Testament for today's students Students will be immersed into the world of the first century learning about both Greco Roman and Jewish backgrounds While discussing the fundamental questions surrounding the content of each book including its authorship audience and message this work also engages with the wider historical critical discussion helping students navigate the wider world of modern New Testament scholarship      **New Testament Foundations - A Guide for Christian Students** Ralph P. Martin, 1986      *New Testament Foundations* Ralph P. Martin, 1975      *The Essential Trinity* Brandon Crowe, Carl Trueman, 2016-06-16 The Trinity is foundational to Christian theology with immense relevance for practical living This volume offers trinitarian readings of each New Testament corpus and focuses on the importance of the doctrine for Christian life and ministry      **From the Ground Up** John Scott Horrell, Veteran pastor professor and church planter Horrell suggests that the customs patterns and structures of churches may actually be barriers to what God's purposes for the church really are      **New Testament Foundations** Ralph Philip Martin, 1978      **New Testament Foundations** Ralph P. Martin, 1975      Jews and Christians in Dialogue John Koenig, 1979      **New Testament Foundations: a Guide for Christian Students** Ralph Philip Martin, 1986      **New Testament Foundations, Vol. 2** Ralph P. Martin, 1999-12-03 This book is packed with a wealth of material ample consideration being given to the many divergent viewpoints represented by scholars of all backgrounds Designed for classroom teaching on the university and seminary level Highly recommended Choice      **The Catholic Biblical School Program** The Catholic Biblical School Program, 2008-09 Year Two introduces the writings of the New Testament It begins with an examination of what makes up a gospel and the unique viewpoint of each evangelist It then examines the nature of St Paul's letters and their profound theology of risen Christ and concludes with the study of the special literary and theological approach of John's Gospel and the Book of Revelation      Christian Mission Stanley E. Porter, Cynthia Long Westfall, 2010-09-01 How did a first generation Jewish messianic movement develop the momentum to become a dominant religious force in the Western world The essays here first investigate the roots of God's mission and the mission of his people in the Old Testament and Second Temple Judaism specifically in the Psalms Isaiah and Daniel The contributions then discuss the mission of Jesus and how it continued into the mission of the Twelve other Jewish believers in the Gospels General Epistles and Revelation and finally into Paul's ministry to the Gentiles documented in the book of Acts and his epistles These essays reach backward into the background of what was to become the Christian mission and forward through the New Testament to the continuing Christian mission and missions today      *New Testament Foundations* Ralph P. Martin, 1978      New Testament Foundations: The four Gospels Ralph P.

Martin, 1975 Volume 1 of *New Testament Foundations* deals with the four Gospels Martin's two volume work is an understandable and useful guide to the study of the New Testament which investigates the background contents and significance of the New Testament writings laying the foundation for further study by university and seminary students as well as the general reader

**The Foundations of New Testament Christology** R. H. Fuller, 2022-07-28 One of the key tasks of New Testament study is to construct a correct doctrine of the person of Jesus Christ which is central to the Christian faith In *The Foundations of New Testament Christology* R H Fuller fulfils this task through a close examination of the first century texts in both their Palestinian and Hellenistic contexts An exponent of the neo orthodox position that dominated post war scholarship in the field central to Fuller's argument is the traditional historical approach to New Testament criticism As Fuller sees it the Church's Christology was a response to its total encounter with Jesus not only in his earthly history but also in the Church's continuing life By emphasising the continuity between the historical Jesus and the witness and message of the early post resurrection church he offers a comprehensive and thorough survey of this most important facet of exegesis

*Biblical Foundations for the Cell-Based Church* Joel Comiskey, 2012-11-06 Why cell church Is it because David Cho's church the largest church in the history of Christianity is a cell church Is it because someone said the number twelve will bring blessings and growth Is it because cell church is the strategy that many great churches are using Ralph Neighbour repeatedly says Theology must breed methodology This book sets forth the biblical theology for cell based ministry Without biblical truth we don't have a firm underpinning upon which we can hang our ministry and philosophy On the other hand we can plod through most anything when we know that God is stirring us to behave biblically Cell church is not the latest greatest church growth strategy If it were it would simply be a passing fad until the next hotter more relevant strategy comes along In fact in many places around the world cell church transforms the church through a purification process Church growth is slow but cell church helps Christ's church go deeper Joel Comiskey has been studying the cell church movement since 1991 and has discovered that the cell church strategy doesn't produce rapid growth in itself God reserves growth for himself He wants to receive the glory for all church growth The first section of this book covers the Trinity the model for all small group community The good news is that the Trinity works within believers to mold and shape them into his image This section explores God's emphasis on the family starting from Genesis Christ's formation of a new family and then the early church's focus on family Comiskey believes that family is the principal image of the church in Scripture The last chapter in this section explains Jesus and his kingdom and more specifically how Jesus trained his disciples to evangelism through home based outreach Section two reveals how the early church met in homes It explores what they did in those home meetings the size of the house churches and how home evangelism took place through ancient oikos relationships Comiskey looks at how New Testament leadership developed naturally through the house church structure and how the early church connected the house churches into celebration gatherings large group meetings The last section applies all eight chapters to the church

today This last section draws out the New Testament insights that are applicable to the 21st century church      Foundations  
New Testament Overview Patricia C. Russell,1996-04-01      **New Testament Foundations** ,      *The Bible and Social*  
*Justice* Cynthia Long Westfall,Bryan R. Dyer,2016-03-10 Although the cry for justice in human society is an important theme  
in the Bible in many church and academic circles action for and discourse about social justice is carried on without a  
thorough exploration of this theme in Scripture This volume brings together chapters by experts in the various sections of the  
Old and New Testaments to give a full spectrum of what the Bible has to say about social justice and to point to ways forward  
for Christians seeking to think and act in harmony with God in pursuing social justice in the world today
