## New Pacific:

The New Pacific Hubert Howe Bancroft, 1900      *The New Pacific Diplomacy* Greg Fry, Sandra Tarte, 2015-12-17 Since 2009 there has been a fundamental shift in the way that the Pacific Island states engage with regional and world politics The region has experienced what Kiribati President Anote Tong has aptly called a paradigm shift in ideas about how Pacific diplomacy should be organised and on what principles it should operate Many leaders have called for a heightened Pacific voice in global affairs and a new commitment to establishing Pacific Island control of this diplomatic process This change in thinking has been expressed in the establishment of new channels and arenas for Pacific diplomacy at the regional and global levels and new ways of connecting the two levels through active use of intermediate diplomatic associations The New Pacific Diplomacy brings together a range of analyses and perspectives on these dramatic new developments in Pacific diplomacy at sub regional regional and global levels and in the key sectors of global negotiation for Pacific states fisheries climate change decolonisation and trade      *Report* United States.
