

**Adherents of the new religious right reject  
the separation of politics and religion, but  
they bring no spiritual insights to politics.**

Christopher Lasch

# New Religious Right

**A.E. Luloff**

## **New Religious Right:**

*The New Religious Right* Walter H. Capps, 1990 The appeal of the fundamentalist phenomenon      **The New Christian Right** Robert C. Liebman, Robert Wuthnow, This book of original essays provides an objective and enlightening analysis of the emergence and changing forms of the New Christian Right The subject is in itself important in contemporary American life but in addition The New Christian Right reexamines standard theories of social movements and the relationship between religion and politics in America today The book presents findings from original research including surveys personal interviews with elites analysis of financial documents reanalysis of existing data and analysis of direct mail solicitations and other primary literature The New Christian Right is balanced and objective rather than partisan and evaluative Using non technical and non jargonistic language the authors raise questions concerning the nature of religion the role of status groups and contemporary directions in American culture      The New Religious-political Right in America Samuel S. Hill, Dennis Edward Owen, 1982      *Trumping Religion* Steven P. Brown, 2002-09-25 The first scholarly treatment of the strategies employed by the New Christian Right in litigating cases regarding religion Trumping Religion provides a detailed analysis of the five major public interest law firms that have litigated religion cases in the federal courts between 1980 and 2000 Allied with several highly vocal evangelical ministries such as those of Jerry Falwell and Pat Robinson these legal organizations argue that religious expression is a form of protected speech and thereby gain a greater latitude of interpretation in the courts The long term agenda of the New Christian Right as illuminated by this study is to shape church state jurisprudence in a way that permits free course for the Christian gospel Steven P Brown presents his research and conclusions from a balanced viewpoint In filling a distinct void in the literature this book will be of considerable interest to political scientists legal scholars law schools and seminaries and anyone concerned with the intersection of religion and judicial politics      **The New Christian Right, 1981-1988** Erling Jorstad, 1987 This work presents a comprehensive overview of the philosophy and activities of the New Christian Right NCR which are characterized by a conspiracy theory that secular humanists are responsible for the degeneration of the country into pervasive evil and by a social agenda of activism in the areas of abortion pornography homosexual rights prayer in the schools and creationism      *New Christian Politics* David G. Bromley, Anson D. Shupe, 1984 Foreword Phillip E Hammond Interpreting the new Christian right a commentary on the substance and process of knowledge creation Anson Shupe and David G Bromley The new Christian right and its parent company a study in political contrasts James A Speer The wicked shall not bear rule the fundamentalist heritage of the new Christian right Ralph Clark Chandler Support for the Moral Majority and its sociomoral platform John H Simpson The Moral Majority viewed sociologically J Milton Yinger and Stephen J Cutler Public and clergy sentiments toward the Moral Majority evidence from the Dallas Fort Worth metroplex Anson Shupe and William A Stacey Explaining the new religious right status politics and beyond Charles L Harper and Kevin Leicht Some potential causes and consequences of the use of religion broadcasts Gary D Gaddy

Television and popular religion changes in church offerings Razelle Frankl The new Christian right and the new media Wesley E Miller Televangelism and the future of American politics Jeffrey K Hadden The new Christian right and the 1980 elections Robert Zwier No Hoosier hospitality for humanism the Moral Majority in Indiana Richard V Pierard and James L Wright The Old Right in action Mormon and Catholic involvement in an equal rights amendment referendum James T Richardson The politics of preachers Southern Baptist ministers and Christian right activism James L Guth Mobilizing Christians for political action campaigning with God on your side Margaret Ann Latus

**Who Speaks for God?** Jim Wallis, 1997 Something is wrong in America Our streets are not safe Families are in crisis Corporations value profit above all else And in this time of partisan politics and divisive self interest where is the voice of integrity and authority The Religious Right The secular Left In this visionary work prominent social activist and pastor Jim Wallis cuts to the heart of the debate to offer a moral and spiritual alternative to both sides of the political spectrum In a daring attack on the Religious Right Wallis reveals how its extreme positions actually conflict with the Bible yet wield an enormous and dangerous influence in Washington He also exposes the emptiness of the policies of the secular Left programs he feels are devoid of values and spirituality Instead of platitudes Wallis discusses real people instead of slogans he offers solutions calling for a new politics of compassion community and civility the three touchstones of a balanced society Whether he talks about abortion welfare crime or a new social agenda he gives surprising and provocative answers to the questions that concern us all Who Speaks For God is a call to action for the millions of Americans who yearn for a more humane and spiritual national agenda And in this transformational and practical book Jim Wallis puts that vision within reach for all of us

**Redeeming America** Michael Lienesch, 1993 This balanced and comprehensive study of Christian conservative thinking focuses on the 1980s when the New Christian Right appeared suddenly as an influential force on the American political scene only to fade from the spotlight toward the end of the decade In Redeeming America Michael Lienesch identifies a cyclical redemptive pattern in the New Christian Right's approach to politics and he argues that the movement is certain to emerge again Lienesch explores in detail the writings of a wide range of Christian conservatives including Jerry Falwell Pat Robertson Phyllis Schlafly and Tim and Beverly LaHaye in order to illuminate the beliefs and ideas on which the movement is based Depicting the thinking of these writers as a set of concentric circles beginning with the self and moving outward to include the family the economy the polity and the world Lienesch finds shared themes as well as contradictions and tensions He also uncovers a complex but persistent pattern of thought that inspires periodic attempts to redeem America alternating with more inward looking intervals of personal piety

*Jerry Falwell and the Rise of the New Christian Right in America* Moritz Mücke, 2011-10-04 Seminar paper from the year 2011 in the subject American Studies Culture and Applied Geography grade 1.0 University of Frankfurt Main Institut für England und Amerikastudien language English abstract American politics have always to some degree been influenced by religion As a nation whose long history of religious tolerance includes milestones like Thomas

Jefferson's Virginia Statue of Religious Freedom and a rigid separation of church and state laid out in its constitution the United States to this day has retained a blossoming and diverse religious culture. Government was neither ever to interfere with the religious affairs of its citizens nor was it to establish any kind of regulation thereof making religion in the U.S. virtually free enterprise. As a result the spheres of public and political discourse have from time to time been swept by waves of assertions by the pious claiming their place in the governing of the nation. During the 20th century there have been several prominent examples of intrusion into politics by the Christian Right defined by Clyde Wilcox as a social movement that seeks to mobilize and represent evangelical Christians in politics. Laying up Treasures 23 This paper will focus on the New Christian Right of the 1980s that was shaped primarily by assertive spiritual leaders. For this purpose an excerpt from a work by the fundamentalist preacher and leading figure of evangelical political activism the late Rev. Jerry Falwell will be examined.

*We Gather Together* Neil J. Young, 2016 Tracing the interactions among evangelicals, Catholics and Mormons from the 1950s to the present day *We Gather Together* recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election. Rather it was the latest iteration of a much longer religious debate that had been going on for decades. Evangelicals, Catholics and Mormons found common cause and pursued similar ends in debates about abortion, school prayer, the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc. Cracks in the alliance shaped the movement from the very beginning. This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years.

*To the Right* Jerome L. Himmelstein, 2023-04-28 In this timely book Jerome Himmelstein offers a new interpretation of the growth of conservatism in American politics. Tracing the New Right of the 1970s and 1980s back to the Old Right of the 1950s, Himmelstein provides an interpretive map of the political landscape over the past decades showing how conservatives ascended to power by reconstructing their ideology and building an independent movement. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1990. In this timely book Jerome Himmelstein offers a new interpretation of the growth of conservatism in American politics. Tracing the New Right of the 1970s and 1980s back to the Old Right of the 1950s, Himmelstein provides an interpretive map of the political landscape over the past decades showing how conservatives ascended to power by reconstructing their ideology and building an independent movement. *The New Christian Right* Melvin I. Urofsky, Martha May, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991. The criticism centers on three aspects of the play: the love friendship debate.

*Standing on the Premises of God* Fritz Detwiler, 1999-12 The Christian Right is arguably the most significant social movement in the United States today. In recent years these

religious conservatives have loudly protested a public education system they believe no longer represents their interests or values. Educators often dismiss critiques based on religious values as irrational or flimsy, failing to appreciate the coherence of these criticisms from the Christian Right's own perspective. While the Christian Right has become ever more sophisticated in its lobbying and powerful in its influence, educators and parents find themselves lacking the background knowledge necessary to respond effectively to its efforts. Standing on the Premises of God speaks directly to this dilemma, explaining current incarnations of the Christian Right, its leadership, its intellectual and theological foundations, and its tactics so that those interested in the debates over education will be better prepared to engage them constructively. Taking the novel approach of framing the Christian Right as a revitalization movement, Detwiler shows how it seeks to effect cultural transformation in order to bring public education and our society more generally in line with its worldview. His theoretical model provides insights into why education is so pivotal to the Christian Right and also assesses the religious viability of the Christian Right as a social movement.

**The Naked Public Square** Richard John Neuhaus, 1986. Underlying the many crises in American life, writes Richard John Neuhaus, is a crisis of faith. It is not enough that more people should believe or that those who believe should believe more strongly. Rather, the faith of persons and communities must be more compellingly related to the public arena. The naked public square, which results from the exclusion of popular values from the public forum, will almost certainly result in the death of democracy. The great challenge, says Neuhaus, is the reconstruction of a public philosophy that can undergird American life and America's ambiguous place in the world. To be truly democratic and to endure, such a public philosophy must be grounded in values that are based on Judeo-Christian religion. The remedy begins with recognizing that democratic theory and practice, which have in the past often been indifferent or hostile to religion, must now be legitimated in terms compatible with biblical faith. Neuhaus explores the strengths and weaknesses of various sectors of American religion in pursuing this task of critical legitimation. Arguing that America is now engaged in an historic moment of testing, he draws upon Protestant, Catholic, and Jewish thinkers who have in other moments of testing seen that the stakes are very high for America for the promise of democratic freedom elsewhere and possibly for God's purpose in the world. An honest analysis of the situation, says Neuhaus, shatters false polarizations between left and right, liberal and conservative. In a democratic culture, the believer's respect for nonbelievers is not a compromise but a requirement of the believer's faith. Similarly, the democratic rights of those outside the communities of religious faith can be assured only by the inclusion of religiously grounded values in the common life. The Naked Public Square does not offer yet another partisan program for political or social change. Rather, it offers a deeply disturbing but finally hopeful examination of Abraham Lincoln's century-old question: whether this nation or any nation so conceived and so dedicated can long endure.

**American Rural Communities** A.E. Luloff, 2019-04-08. This book is dedicated to the people of rural America whose struggle to make community meaningful provides important lessons. It includes the contributors' prescription for the 1990s that calls for a

renewal of action development and leadership on the part of local citizens and civic leaders

*What's Wrong with the Christian Right* Jan G. Linn, 2004 Silence may be golden but not when it comes to the extremes of the Christian Right That is why Jan Linn wrote his new book *What's Wrong With The Christian Right* just released by BrownWalker Press As a former college and seminary teacher and author of ten previous books Linn uses the Christian Right's own words and actions to show the extent to which it is trying to reshape both American politics and Christianity into its own image The book describes in detail the agenda of the Christian Right the tactics it employs and the ways it plays loose with truth It is also a call to action to everyone disturbed by the power and influence of the Christian Right With careful documentation this book exposes the extent to which the Christian Right is influencing American politics who its political allies are the ways it is working to reshape America into its own image and the hypocrisy it practices in the process The book also takes issue with the Christian Right's agenda on major issues and the distorted image its extremism presents of Christianity *What's Wrong With The Christian Right* is ultimately a call to all liberal minded people especially people of faith to join the effort to offset the Christian Right as the dominant religious voice in America today Several outstanding leaders in their field have commended the book to a wide reading audience Dr Joan Brown Campbell former General Secretary of the National Council of Churches of Christ calls the book a must read Dr Albert Pennybacker founder of the Clergy Leadership Network describes it as a book for these times Dr Arvid Lundy retired from Los Alamos National Laboratories and a non Christian agnostic describes the book as a joy to read James Autry of People for the American Way describes it a careful thoughtful well researched examination of those we call the Christian Right

*You Have Stept Out of Your Place* Susan Hill Lindley, 1996-01-01 Women throughout American history have repeatedly been accused of stepping out of their places as many have fought for more rewarding roles in the church and society In this book Susan Hill Lindley demonstrates that just as religion in the traditional sense has influenced the lives of American women through its institutions values and sanctions so women themselves have had significant effect on the shape of American religion through the years

**Second Coming** Mark J. Rozell, Clyde Wilcox, 1996 Building on a history of the Christian Right in Virginia from 1978 through 1992 *Second Coming* gives a detailed analysis of the 1993 statewide elections and the 1994 senatorial race all of which attracted national attention

*Faith, Morality, and Civil Society* Dale McConkey, Peter Augustine Lawler, 2003-06-05 In this rich collection of essays editors Dale McConkey and Peter Augustine Lawler explore the contributions that religious faith and morality can make to a civil society Though the level of religious expression has remained high in the United States the shift from traditional religious beliefs to a far more individualized style of faith has led many to contend that no faith commitment collective or personal should contribute to the vibrancy of a civil democratic society Challenging those who believe that the private realm is the only appropriate locus of religious belief the contributors to this volume believe that religion can inform and invigorate the secular institutions of society such as education economics and politics Drawn from a wide variety of religious and moral

traditions these diverse essays show from many perspectives the important contribution religion has to make in the public square that is civil society      **Handbook of Research in the Social Foundations of Education** Steven Tozer, Bernardo P. Gallegos, Annette Henry, Mary Bushnell Greiner, Paula Groves Price, 2011-07-05 This groundbreaking volume helps readers understand the history evolution and significance of this wide ranging often misunderstood and increasingly important field of study

The Top Books of the Year New Religious Right The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. New Religious Right : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. New Religious Right : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. New Religious Right : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

## **New Religious Right Introduction**

In today's digital age, the availability of New Religious Right books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Religious Right books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Religious Right books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing New Religious Right versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Religious Right books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Religious Right books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Religious Right books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New Religious Right books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Religious Right books and manuals for download and embark on your journey of knowledge?

## FAQs About New Religious Right Books

1. Where can I buy New Religious Right books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a New Religious Right book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of New Religious Right books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are New Religious Right audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read New Religious Right books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
