Dobson's The New Strong-Willed Child** Everest Media,2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The strength of the will is a characteristic that some children seem to be born with These children are easy to raise and they never spit up on the way to church 2 The Strong Willed Child was written in 1978 and since then much has changed with regards to how we raise children The book was revised to reflect this new information 3 The author s original intent was to help parents raise strong willed children but today s parents are facing many more challenges than they did when the book

was first written They need a well designed game plan to navigate through those challenges 4 The author s friend was a recreational pilot who flew toward his home base when he was younger He could not see the hazy runway below because of the sun s setting behind a mountain He flew his plane around in the blackness of the night afraid of death **Dare to**
