Osborne, 2019-07-31 2019 Biblical Foundations Book Award Finalist in New Testament James's letter is famous for its practical wisdom and its heart for gospel transformation reflected in action James is like Proverbs in the New Testament but written as a letter reflecting the New Covenant of Christ It advises believers facing cultural challenges in the diaspora how to approach practical issues like trials and suffering the proper use of the tongue and poverty and wealth from a worldview

shaped by Christ Stated simply it teaches believers about living life in God's world by God's rules In James Verse by Verse the late Grant R Osborne invites readers to delve into this uniquely structured immensely practical book James is all about what early Christians called the Way and as such holds a unique place in the New Testament This commentary will help modern readers embrace James as a distinctively Christian letter full of wisdom for everyday life **James** Kurt Richardson,1997 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text James (Understanding the Bible Commentary Series) Peter H. Moo,2015-03-10 The genius of the letter of James lies in its powerfully simple call for repentance for action for a consistent Christian lifestyle In this commentary Douglas Moo allows James's words to cut through our theological debates our personal preconceptions our spiritual malaise and return us to an invigorating transforming Christianity *James* Curtis Vaughan,1969-08 **The Gospel according to Mark** James R. Edwards,2001-11-08 This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today's church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gospel of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features including Mark's use of the
