*A Survey of the New Testament* Robert H. Gundry, 2012-06-19 A definitive guide to the New Testament of the Bible providing both the broader historical and cultural context as well as a passage level commentary for each book. Many students of the Bible launch into their studies without a prior systematic reading of the New Testament. This survey is unique in the way it assists a close and complete reading without bogging down in extensive introductions and over academic material. By tracing the flow of thought from passage to passage you'll gain a sense of the natural progression of the narrative and logic in the New Testament. This fifth edition of Robert Gundry's classic widely used textbook includes updates and revisions throughout and a fresh full color design including More photos and updated improved maps. Links to relevant websites for further study. Outlines, study goals, summaries and review questions for each chapter. Phonetic pronunciations for unfamiliar names and terms. **New Testament Survey** Merrill C. Tenney, 1985-08-28 Written in a clear non technical style *New Testament Survey* is an analytical and historical survey which sets forth the message of the New Testament against a fully integrated picture of the world of the first century. *A Popular Survey of the New Testament* Norman L. Geisler, 2014-09-09 Uncovering the content structure and teachings of the New Testament. Understanding the New Testament is a daunting but exciting task. Our world is so different from that of the first century. The dress, travel, vocation and custom of biblical characters are all foreign to us. Yet it is important to understand the context and content of the New Testament if we are to be faithful followers of Jesus Christ. *A Popular Survey of the New Testament* is designed to help ordinary people enrich their understanding of New Testament people and events. It addresses many questions that readers of the Bible may have such as Who wrote the books of the New Testament and to whom were they writing? When were these books written and why? How can a warning about first century Gnostics help Christians today? What can today's believers get out of a letter about a slave returning to his master? How can we understand difficult passages in the New Testament? Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament.

**Survey of the New Testament** Paul N. Benware, 2004-01-01 Author approaches the New Testament in three segments: the anticipation, institution and fulfillment of the new covenant.

This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes. It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse
