**RICH METHOD 2.0** DAVID SANDUA, 2025-07-05 After the devastating impact of the latest financial crisis many were left disoriented and unprepared to face their economic reality. Rich Method 2.0 is a practical and transformative guide that offers a clear path toward personal financial freedom. With an accessible and structured approach, David Sandua presents a five step system that breaks away from traditional money management methods, reinvest wisely, improve spending efficiency, build a financial safety net, save with purpose, and promote ongoing financial education. Through real life stories, economic analysis, and hands on exercises, the book proves that financial stability and growth are not unreachable privileges but the result of informed decisions and sustained habits. Readers will find not only concepts but concrete tools, spreadsheets, weekly challenges, and saving strategies to immediately apply what they learn. More than just theory, Rich Method 2.0 is a companion to help navigate uncertainty and turn it into opportunity. Ideal for anyone ready to take control of their finances and build a resilient future, this book is an essential compass in today's world.
