S., 2018-09-13 Joseph's life is an example to us of how we too can learn to trust God through the greatest difficulties and the most mundane of life's experiences. This book has been designed to encourage daily devotions and can be used by individuals or groups. The study runs for six weeks and teaches valuable lessons: Acceptance of God's holiness and his right to have authority over us; Acceptance of the fact that he has had control over our upbringing, our heartaches and sorrows, and our joys and delights; Acceptance of our sinfulness and our desperate need for salvation through Christ Jesus; Acceptance of our roles as men and women; Acceptance of our roles as husbands, wives, and parents; Acceptance of the situations we find ourselves in, be they good or bad.

Unholy Hands on the Bible Jay P. Green, 1992 This is an examination of six major new versions: the New International Version (NIV), New American Standard Bible (NASB), New Revised Standard Version (NRSV), Revised English Bible (REB), Good News Bible (GNB), and the New American Bible (NAB). It includes:

- 1. The textual basis of the above new versions
- 2. 379 New Testament verses in which the above new versions are compared with the Greek of the Received Text and the weak evidence that is back of their adulterations
- 3. a 200 page examination of the New International Version (NIV) shows that they have added over 100 000 of their own words and have failed to translate over 20 000 of the original words
- 4. a separate examination of the New American Standard Bible (NASB)

There are 8 appendices, including a thorough critique of Kurt Aland's Text of the New Testament. Get acquainted with the facts for God is going to look to you to warn his people that these new versions are adulterated with many of the heresies of the Gnostics and others. Also, since they all contain contradictions.
