is to bring together innovative academics and industrial experts in the field of Humanities Education and Social Sciences to a common forum The 7th International Conference on Humanities Education and Social Sciences ICHESS2024 will be held on October 11-13, 2024 in Ningbo, China. This conference serves as a platform for the exchange of innovative ideas, cutting-edge research, and collaborative initiatives that address the pressing issues faced by our communities today. The overarching theme of this year's conference is Bridging Traditions and Innovations, which underscores the importance of harmonizing classical perspectives with modern advancements to foster a holistic understanding of human behaviour, culture, and societal development. By facilitating dialogue and connections among diverse fields such as history, philosophy, sociology, education, and psychology, the conference aims to promote interdisciplinary research and enhance educational practices. Ultimately, the goal is to inspire actionable insights and foster sustainable solutions that contribute to societal well-being and global progress. This year's conference distinguishes itself from previous editions by emphasizing a set of unique and timely research themes designed to address the evolving landscapes of humanities and social sciences. One of the primary themes is Digital Humanities and Society, which explores how digital technologies are transforming historical research, cultural preservation, and educational methodologies. Another significant theme is Social Justice and Equity, focusing on contemporary challenges related to race, gender, class, and access to education, and fostering discussions on policies and practices that aim to create a more just society. Globalization and Cultural Identity is another key theme, examining the effects of global interconnectedness on local cultures and identities and how these dynamics shape both individual and collective experiences in diverse societies. Additionally, Sustainability and Ethics invites scholars to delve into the ethical dimensions of environmental sustainability, social responsibility, and the role of humanities and social sciences in promoting sustainable development. Furthermore, this year's conference introduces a theme on Interdisciplinary Approaches to Crisis Management, addressing the critical need for humanities and social sciences perspectives in understanding and managing global crises such as pandemics, economic instability, and political upheavals. By focusing on these distinct research themes, the conference aims to not only advance academic discourse but also inspire concrete actions that address the multifaceted challenges of our time.
