## **My Four Visions Of Jesus:**

**My Four Visions of Jesus** Roxanne Brant,1984      **The Four Vision Quests of Jesus** Steven Charleston,2015-05-01 A unique look at Christian biblical interpretation and theology from the perspective of Native American tradition This book focuses on four specific experiences of Jesus as portrayed in the synoptic gospels It examines each story as a vision quest a universal spiritual phenomenon but one of particular importance within North American indigenous communities Jesus experience in the wilderness is the first quest It speaks to a foundational Native American value the need to enter into the we rather than the I The Transfiguration is the second quest describing the Native theology of transcendent spirituality that impacts reality and shapes mission Gethsemane is the third quest It embodies the Native tradition of the holy men or women who find their freedom through discipline and concerns for justice compassion and human dignity Golgotha is the final quest It represents the Native sacrament of sacrifice e g the Sun Dance The chapter on Golgotha is a discussion of kinship balance and harmony all primary to Native tradition and integral to Christian thought      *The Four Vision Quests of Jesus* Steven Charleston,2015-05 Christian theology as seen through the lens of Native American tradition A unique look at Christian biblical interpretation and theology from the perspective of Native American tradition this book focuses on four specific experiences of Jesus as portrayed in the synoptic gospels It examines each story as a vision quest a universal spiritual phenomenon but one of particular importance within North American indigenous communities Jesus experience in the wilderness is the first quest It speaks to a foundational Native American value the need to enter into the we rather than the I The Transfiguration is the second quest describing the Native theology of transcendent spirituality that impacts reality and shapes mission Gethsemane is the third quest It embodies the Native tradition of the holy men or women who find their freedom through discipline and concerns for justice compassion and human dignity Golgotha is the final quest It represents the Native sacrament of sacrifice e g the Sun Dance The chapter on Golgotha is a discussion of kinship balance and harmony all primary to Native tradition and integral to Christian thought      **Zechariah and the Creator Lord Jesus Christ** Dale M. Presley,2001-04 Zechariah the Creator LORD Jesus Christ is the third verse by verse commentary that the author has published on a Bible book The first book Way Truth Life is a complete commentary on the book of Revelation Way Truth Life contains an introduction and four chapters that very simply explain the most complex theological issues and has a scripture indexed Chronology Chart of the 7 year Tribulation The second book Daniel the Creator LORD Jesus Christ is a complete commentary on the book of Daniel All of the author s interpretations of scripture are based upon the most literal meaning of all passages of scripture that can be made without violating the true meaning of other scriptures contained elsewhere in the sixty six books of God s Holy Word All of the author s books are liberally supplied with scripture references so that the reader can verify the truthfulness of the commentary as he or she proceeds The book of Zechariah deals with what is happening in our own day perhaps more than any other Old Testament book However because the book of Zechariah is written in highly

apocalyptic language much like the book of Revelation it is little understood by most Bible students The author has therefore taken great care to include commentary on related passages of scripture in order to explain the meaning of every verse of this magnificent book in the simplest most understandable terms possible In addition a table is included that shows the time being referred to by every verse of the book of Zechariah Since so much of Israel s history was accurately predicted by this sixth century BC prophet the actual history of Israel that has come to pass during their first century Roman wars and during the period since the nation was reestablished in the promised land in 1948 is particularly described in detail No study of eschatological end time events is complete without a clear understanding of what God is doing through Israel today as explained in this book

*A Dynamic Reading of the Holy Spirit in Revelation* Hee Youl Lee,2014-04-07 A Dynamic Reading of the Holy Spirit in Revelation attempts to read the book of Revelation in a new way as a narrative embracing literary elements such as plot point of view narrative voice character and story structure to help readers discover its meanings by tracing the story anew Lee s unique narrative perspective offers readers a bird s eye view to experience four levels of the story heaven earth abyss and the lake of fire Lee develops a theological account of John s pneumatology and surely extends Christian pneumatology a doctrine inseparable from the life of the church Readers will come away with a greater understanding of the role of the Holy Spirit which will enable them to enjoy a deeper fellowship with the Holy Spirit more intimately than ever before Lee portrays the book of Revelation as a mission oriented book that tells how the kingdom of God will be built in this world through spiritual warfare rather than as a book of eschatology Lee s book will serve as a spiritual wake up call to the modern church and the people of God in its accurate portrayal of the Holy Spirit and vivid description of spiritual warfare

**Light** ,1888 *A Testimony of Jesus Christ - Volume 1* Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides
