My Kind Of Magic:

The Ice Maiden's Tale Lisa Preziosi, 2017-05-30 Every town has an old lady all the children just know is a witch When Johanna and Casper must spend the afternoon at her house there's nothing to do except listen to a story While the siblings await their mother's return from the hospital where she's visiting their ailing father Mrs Kinder reads them a story of adventure magic and music Mrs Kinder's mysterious golden book tells an intertwined tale of two young men the sensitive Sculptor who carves a beautiful woman from ice and the thieving Sorcerer searching for a spell that will bring the statue to life The story twists and turns from the Frozen Forest to the land of the Lemon Trees to the home of the Swamp Witch as the Sculptor's and Sorcerer's adventures circle each other Their inevitable confrontation reveals buried memories that force each of them to confront the true cost of love and redemption The Ice Maiden's Tale the perfect story within a story with magic adventure and romance reminiscent of The Princess Bride for a new generation of readers Excerpt Mrs Kinder settled herself in the chair across from the children and cracked open the book She adjusted her spectacles ever so slightly then caressed the page with her wrinkled fingers In our world when magic happens outside of a storybook we call it a miracle And miracles are considered so rare and special that lifetimes can go by without so much as a hint of one But there are faraway places where our kind of miracles are as common as blades of grass in an open field In the northern region of one of these worlds in the top far east corner past green forests swamps lakes and even an ocean there lived a young artist named Gabriel This isn't a very good story Casper complained Casper Johanna exclaimed in embarrassment Mrs Kinder laughed That's because I'm not even at the story part yet but it's high time we get started This story doesn't begin the way you think it might and the way most stories do It doesn't begin with a big adventure or a journey or even pirate treasure It starts with a tiny choice one that seems unremarkable at the time but that changes the course of destiny One crisp morning our Gabriel decided to search for firewood and it's with that simple decision that our tale begins Minding the Body Patricia Foster, 2011-05-18 A multicultural anthology of fiction and non-fiction literary narratives which addresses the psychological and political aspects of a woman's body in today's culture An important and much needed book for women who seek to understand their bodies and find independent imaginative ways to cope with aging beauty expectations beauty expectations and ethnic comparisons My Kind of Angel William S. Burroughs, 1998 A collection of interviews with William Burroughs and various critical writings on his work Also included are poetry and prose pieces written by various authors in tribute to the late writer The Magic Wand and Magical Review, 1924 **Matrix**, 1928 Convergence Sharon Green, 1996-11 In a world of magical adepts every 25 years the five greatest talents must be brought together For only this powerful union of strangers can prevent the prophesied return of the Evil Ones who enslaved the land As one they must stand against the odious treachery of past masters and confront a fearsome depravity that hungers for their world Magazine of Magic, 1916 The Midnight Hunt (ebook) Benjamin Read, Laura Trinder, 2021-09-02 Emily and Tarkus are back again in one last

adventure to save the Midnight Hour Their old adversary the Nocturne is determined to destroy their beloved magical world and everyone in it Emily might just have a plan but she s going to need everyone s help **Magical Bulletin of the Magical Shop of the West** ,1915 **A Most Magical Girl** Karen Foxlee,2016-08-02 From the author of Ophelia and the Marvelous Boy comes the story of a friendship between two girls set in Victorian England with magical machines wizards witches a mysterious underworld and a race against time Annabel Grey is primed for a proper life as a young lady in Victorian England But when her mother suddenly disappears she s put in the care of two eccentric aunts who thrust her into a decidedly un ladylike life full of potions and flying broomsticks and wizards who eat nothing but crackers Magic indeed Who ever heard of such a thing Before Annabel can assess the most ladylike way to respond to her current predicament she is swept up in an urgent quest Annabel is pitted against another young witch Kitty to rescue the sacred Moreover Wand from the dangerous underworld that exists beneath London The two girls outsmart trolls find passage through a wall of faerie bones and narrowly escape a dragon but it doesn t take long for Annabel to see that the most dangerous part of her journey is her decision to trust this wild magical girl Sparkling with Karen Foxlee s enchanting writing this is a bewitching tale of one important wand and two most magical girls Foxlee s heroines have grit and heart and they are willing to get dirty And they do Foxlee s nicely wry tone and moments of incongruous humor break up the tension while Annabel s race against time in a harrowing journey deep under London keeps the pages turning Deliciously complex and convincingly detailed Kirkus Reviews Starred Review Kids who enjoyed Foxlee s Ophelia and the Marvelous Boy and fans of Hardinge s Cuckoo Song will find similar otherworldly appeal in this enthralling adventure The Bulletin Starred review Memorable for its vivid imagery and stylish thoughtful prose Horn Book Magazine The Boy's Own Paper ,1922 Chemical Magic John D.
