My Life As A Girl Two:

My Life Story Bobby Whatley, 2022-03-21 I was born in 1935 in a coal mining camp in Bibb County Alabama called Piper Coleanor back when the company doctor W E Stinson would come to your house and deliver your child for 15 That was during the Depression and then came World War II Most everyone was in poverty with no government programs Later on the government would give us limited rice cheese and beans to have something to eat The hard times as youngsters gave us more ambition to come out of poverty as we got older I am eighty five years old and working five to six days a week I have been a security guard at Mercedes Benz for eleven years and ten months and I have only missed two days We have eighty guards and they say I am the most dependable guard they have

God in My Life 2

Roberts, Rita Kay Crowder, Sometimes it seems like God is in hiding that the miracles we read about in the Bible are a distant memory But that is not the case Whether it is in an ordinary circumstance or an extraordinary one God is there The author Rita Roberts has experienced both the ordinary and the extraordinary and wants you to know that even in the simplest of situations you are not alone Her experiences around the globe have taught her to look for God in every calling post or pursuit and it is her goal to show people that God is in everyone's life even YOURS dear reader Rita shares her experiences in this book and each story has a message of God's presence From a rescue on a snowy road to a miraculous mechanic in white who saves the day or to dozens of unharmed children on an overturned bus each instance shared here shows us what God can do everyday and in every way in our lives Miracles are alive and well if we take the time to notice them and appreciate them

Jessica Lauer, I Amelie Ashwood Reject you Tate Cozad as my mate I REJECT YOU I screamed I took the silver blade dipped in my own blood to my mate mark Amelie only ever wanted to live a simple life out of the spotlight of her Alpha bloodline She felt she had that when she found her first mate After years together her mate was not the man he claimed to be Amelie is forced to perform the Rejection Ritual to set herself free Her freedom comes at a price one of which is an ugly black scar Nothing There's nothing Bring her back I scream with every part of my being I knew before he said anything I felt her in my heart say goodbye and let go At that moment an unimaginable pain radiated to my core Alpha Gideon Alios loses his mate on which should be the happiest day of his life the birth of his twins Gideon doesn't have time to grieve left mateless alone and a newly single father of two infant daughters Gideon never lets his sadness show as it would be showing weakness and he is the Alpha of the Durit Guard the army and investigative arm of the Council he doesn't have time for weakness Amelie Ashwood and Gideon Alios are two broken werewolves that fate has twisted together This is their second chance at love or is it their first As these two fated mates come together sinister plots come to life all around them How will they come unite to keep what they deem the most precious safe

The Story of My Life ...

James Marion Sims, 1894

My Life as an Indian

James Willard Schultz, 1907

All the Days of My Life: an Autobiography Amelia E. Barr, 1913 During the ten years in which Austin was their home Amelia Barr took an active part in the social life of the frontier capital and wrote in her diary vivid pictures of

many Texans and local events and scenes In 1914 much of this material appeared in her autobiography All the Days of My Life Her accounts included women Sam Houston Indians who visited the capital and local affairs concerning the Civil War Though she did not show it outwardly Amelia Barr was a mystic and deeply religious Her life was governed by intuitions and prophetic dreams many of which she related in striking detail In 1866 the family moved to Galveston where Barr had found new employment In the yellow fever scourge of the next year Barr and three sons died leaving Mrs Barr and three daughters For a while she operated a boardinghouse on Tremont Street but when this venture failed she went to New York Tshaonline.org My Life as an Immigrant Kombiz Salehi, 2021-02-22 This book is a life story of an immigrant who arrived in the USA as an eighteen year old with twelve dollars and has remained in the USA for fifty eight years He became an immigrant three years after his arrival and a US citizen five years later During the next fifty years he significantly contributed to the American society in more ways than one He sponsored his entire education and obtained a BS an MS an MBA and a PhD getting his PhD when he was seventy four After the MS degree in Nuclear Engineering he served the US nuclear power industry as a nuclear engineer including fifteen years of management position in companies such as GE Company Bechtel Exelon formerly ComEd Parsons and the US Nuclear Regulatory Commission US NRC retaining security clearance during his tenure at the US NRC He was a midlevel manager for the GE Company for a decade As an adjunct professor for eight years he taught MBA and mathematics to the university students His contributions extend through his three children in three circles of the American society One son is in the biomedical field with his current service getting his company to develop the vaccine for the COVID 19 virus His daughter is a competent litigator and a law partner in a large law firm His second son is a VP of finance in a mortgage firm and a graduate of a seminary program with periodic delivery of sermons to his church members The author used his tenacity in dealing with an insurance company ensuring continuation of coverage of his former stepdaughter at closed facilities resulting in nearly 500 000 coverage for the medical expenses against the insurance company s willingness to honor the terms of the policy He championed the safeguards of the young girl through tumultuous years of his married life with his second spouse an Iranian lady That story makes the book that much interesting for trials and tribulations that the author went through during the girl s adolescent years Although the challenge ultimately resulted in the break of the marriage she was ultimately saved and is currently a member of the faculty at an academic institution This is a success story mainly due to perseverance lack of fear belief in human values and wisdom to perform the right things and making right decisions This book contains numerous stories including the author s sense of humor in his writing style
