101 Math Activities for Calculating Kids Tracey Ann Schofield, 2001-03-01 Explore math concepts explore real world situations encourage logical thinking motivate your students      Split Possession Thomas Stolz, Sonja Kettler, Cornelia Stroh, Aina Urdze, 2008-05-21 This book is a functional typological study of possession splits in European languages It shows that genetically and structurally diverse languages such as Icelandic Welsh and Maltese display possessive systems which are sensitive to semantically based distinctions reminiscent of the alienability correlation These distinctions are grammatically relevant in many European languages because they require dedicated constructions What makes these split possessive systems interesting for the linguist is the interaction of semantic criteria with pragmatics and syntax Neutralisation of distinctions occurs under focus The same happens if one of the constituents of a possessive construction is syntactically heavy These effects can be observed in the majority of the 50 sample languages Possessive splits are strong in those languages which are outside the Standard Average European group The bulk of the European languages do not behave much differently from those non European languages for which possession splits are reported The book reveals interesting new facts about European languages and possession to typologists universals researchers and areal linguists      *The Tape-recorded Interview* Edward D. Ives, 1995 Since 1980 The Tape Recorded Interview has been an essential resource for folklorists and oral historians indeed for anyone who uses a tape recorder in field research Now Sandy Ives has updated this manual to reflect the current preferences in tape recording technology and equipment When this book was first published the reel to reel recorder was the favored format for fieldwork Because the cassette recorder has almost completely replaced it Ives has revised the first chapter How a Tape Recorder Works accordingly and has included a useful discussion of the differences between analog and digital recording He has also added a brief section on video updated the bibliography and reworked his original comments on tape cataloging and transcription As in the first edition Ives's emphasis is on documenting the lives of common men and women He offers a careful step by step tour through the collection process finding informants making advance preparations conducting the actual interview obtaining a release and then describes the procedures for processing the taped interview and archiving such materials for future use He also gives special treatment to such topics as recording music handling group interviews and using photographs or other visual material during interviews
