SHRIMP IN TROUBLE WATERS

My Seven

**Harry Pratt Judson, Ida Catherine
Bender**

My Seven:

My Seven Black Fathers Will Jawando, 2025-09-23 Will Jawando's account of mentorship service and healing lays waste to the racist stereotype of the absent Black father. By arguing that Black fathers are not just found in individual families but are indeed the treasure of entire Black communities Will makes the case for a bold idea that Black men can counter racist ideas and policies by virtue of their presence in the lives of Black boys and young men. This is a story we need to hear. Ibram X Kendi, New York Times bestselling author of *How to be an Antiracist*. Will Jawando tells a deeply affirmative story of hope and respect for men of color at a time when Black men are routinely stigmatized. As a boy growing up outside DC Will, who went by his Nigerian name Yemi, was shunted from school to school, never quite fitting in. He was a Black kid with a divorced white mother, a frayed relationship with his biological father and teachers who scolded him for being disruptive in class and on the playground. Eventually he became close to Kalfani, a kid he looked up to on the basketball court. Years after he got the call telling him that Kalfani was dead, another sickening casualty of gun violence. Will looks back on the relationships with an extraordinary series of mentors that enabled him to thrive. Among them were Mr. Williams, the rare Black male grade school teacher who found a way to bolster Will's self-esteem when he discovered he was being bullied; Jay Fletcher, the openly gay colleague of his mother who got him off junk food and took him to his first play; Mr. Holmes, the high school coach and chorus director who saw him through a crushing disappointment; Deen Sanwoola, the businessman who helped him bridge the gap between his American upbringing and his Nigerian heritage, eventually leading to a dramatic reconciliation with his biological father; and President Barack Obama, who made Will his associate director of public engagement at the White House and who invited him to play basketball on more than one occasion. Without the influence of these men, Will knows he would not be who he is today: a civil rights and education policy attorney, a civic leader, a husband, and a father. Drawing on Will's inspiring personal story and involvement in My Brother's Keeper, President Obama's national initiative to address persistent opportunity gaps facing boys and young men of color, *My Seven Black Fathers* offers a transformative way for Black men to shape the next generation.

My Seven Other Mothers Lenetta Raysha Lee, 2011-09-26 Mothering is a central and vital aspect of our lives. Simultaneously it's a sensitive and complex issue for many people to discuss. The story *My Seven Mothers* however challenges us to revisit our understanding of mothers. As we enter into lives of these women, mothers we undoubtedly will notice their unique inner and influential powers. Truly an intimate narrative, *My Seven Mothers* is storytelling with a purpose.
