Digital Literacy Global Trend:

Global Education Monitoring Report Global Education Monitoring Report Team, South-East Asian Ministers of Education Organization, 2023-12-01 **Global Trends and Policy Impacts in Home Healthcare** Çapar, Haşim, Çakmak, Mehmet Aziz, 2025-08-12 Global trends and policy shifts in home healthcare reshape how care is delivered financed and regulated globally Driven by aging populations rising chronic disease rates and patient preferences for staying at home the demand for home based healthcare services has increased Governments are also introducing innovative policies to ensure quality cost effectiveness and equitable access These developments transform the delivery of skilled nursing rehabilitation and telehealth services in patients own homes while redefining broader healthcare systems Further research is vital to understand how global trends and policy initiatives interact shaping outcomes for patients providers and health systems Global Trends and Policy Impacts in Home Healthcare explores the evolving global trends in home healthcare such as technological integration workforce changes and the growing emphasis on patient centered care It examines how policies influence the accessibility quality and sustainability of home healthcare services across healthcare systems This book covers topics such as healthcare systems global business and medical technologies and is a useful resource for business owners medical and healthcare professionals policymakers academicians researchers and scientists **Emerging Trends in Technology for Education in an Uncertain World** Dwi Nanto, Maila Rahiem, Tita Maryati, 2021-12-24 Presently people are facing a condition called VUCA Volatility Uncertainty Complexity and Ambiguity where this condition is described as a turbulent uncertain complicated unclear condition The world of work and industry is changing quickly driven by the development of technology information and communication Advances in computer technology artificial intelligence robotics which is also called as the industrial revolution 4.0 eras are of significant influence on environment and people A time where humans must learn quickly and an era where the future is unpredictable where choices for various conditions are increasing and mindsets are changing The big challenge for educational institutions especially Islamic educational institutions today is how to prepare young people on various aspects of cognitive mental and spiritual preparedness to face the changing environment Development in the real world is far more complex than what is learned in the classroom so it is necessary to educate and transform curriculum that is directed in accordance with the demands of present times The 6th International Conference on emerging trends in technology for education in facing VUCA Volatility Uncertainty Complexity and Ambiguity is designed not only to share research but also to offer recommendations to governments educational institutions and other stakeholders to improve the quality of education through technology based educational programs The conference was held by Faculty of Education UIN Syarif Hidayatullah Jakarta Scholars researchers policy makers teachers and students from various countries participated and worked together to discuss how to improve the quality of education in the Muslim community Guided by UIN Jakarta the 6th ICEMS of 2020 provided opportunities for various educational stakeholders especially in Muslim Communities around the

world to share their creative and innovative works opinions and experiences in open academic forums *Business Studies for Me the People* Jamey M. Long, Joseph A. Pisani, 2025-07-28 Welcome to the new world of industry where business is for me business is for the people business is for me and the people and the people are for business You may ask yourself are these things not the same The answer is No Should they be the same The answer is Yes So the real question becomes Why not In this book the authors explain the cause for the difference between the me and the people in the field of business This book can be used to measure the distance between the me and the people in navigating the field of business and its distance as it relates to the current industrial environment Do not just describe it Take action Actually embrace it and do it This is what this book is about *Recent Trends in Humanities, Literature, Sociology and Psychology (Volume 3)* Dr. S. N. S. Gandhimathi, Dr. Rajlakshmi Sonowal, 2025-02-14 Recent Trends in Humanities Literature Sociology and Psychology Volume 3 is an interdisciplinary anthology that captures the dynamic developments shaping these foundational fields of knowledge As part of an ongoing series this volume builds upon previous scholarly contributions by examining new directions contemporary debates and critical insights within the humanities and social sciences Spanning a broad thematic spectrum the book features essays that address pressing issues such as cultural identity gender dynamics mental health in the post pandemic world technological influences on literature and society and the changing landscape of social relationships It also includes critical literary explorations of classical and modern texts with an emphasis on relevance to present day socio political realities The sociological studies in this volume engage with questions of inequality migration education and the structure of institutions while the psychological analyses delve into behaviour patterns cognitive processes trauma and emotional well being This integrated approach allows readers to draw connections across disciplines and gain a more holistic understanding of the challenges and opportunities of modern life Intended for students educators researchers and general readers with an interest in the humanities and social sciences this volume serves as a valuable resource for keeping pace with the evolving academic and cultural landscape of the 21st century New Media Pedagogy: Research Trends, Methodological Challenges, and Successful Implementations Łukasz Tomczyk, 2025-06-28 This volume constitutes the revised selected papers of 3rd International Conference on New Media Pedagogy NMP 2024 in Krak w Poland during November 28 29 2024 The 23 full papers included in this book were carefully reviewed and selected from 72 submissions They were organized in topical sections as follows Innovative ICT applications in education AI in education *Screen Breaks* Mira Skylark, AI, 2025-03-18 In today s digital age Screen Breaks addresses the pervasive impact of excessive screen time on both our brain health and physical well being It highlights how constant connectivity affects cognitive functions sleep quality and vision leading to symptoms like digital eye strain and reduced mental clarity The book dives into the neurological effects of prolonged screen exposure such as the disruption of melatonin production by blue light and offers practical digital detox strategies to counteract these effects This health and fitness guide explores the importance of intentional digital breaks for

maintaining optimal well being challenging the glorification of constant connectivity It provides a comprehensive overview of research on screen time s effects since the advent of personal computers and smartphones Each chapter guides the reader through understanding digital overload exploring the impact of screen time and implementing effective digital detox techniques for a balanced digital lifestyle Ultimately it empowers readers to adopt mindful technology use and sustain healthier digital habits

Multidisciplinary Research Area in Arts, Science & Commerce (Volume-1) Chief Editor- Biplab Audhya, Editor- Dr. Varanasi Jyothsna Lakshmi, Dr. Sama Ravinder Reddy, Dr. Veeresh C M, Dr. Suman Bala, Dr. N. Rajeswari, Dr. G. Gowri,2025-05-22 *Global Trends in Communication Education and Research* Kenneth W. Y.

Leung,James Francis Kenny,Paul S. N. Lee,2006 **Knowledge & Power in the Global Economy** David Gabbard,2008 The second edition of Knowledge and Power in the Global Economy examines how neoliberal and neoconservative policies are working in tandem to privatize and commercialize public schools It looks at how these policies and the agendas behind them have impacted the internal dynamics of school management teaching and learning as well as how they have transformed the external dynamics of education from a public good or service offered to serve public interests to a private enterprise primarily serving private interests In addition to information critique and analysis multiple perspectives are provided that readers can draw upon to formulate an alternative vision of education as a crucial element of social change along democratic and egalitarian lines The first edition of this volume provided a critical encyclopedic approach to the rhetoric of educational reform as it developed from the 1980s through the 1990s critiquing its vocabulary elaborating the multiplicity of ways that the logic of neoliberalism and the emerging patterns of high stakes testing and accountability were impacting the curriculum and introducing ideas associated with alternative and liberatory educational projects Since its publication in 2000 policy developments such as the No Child Left Behind Act of 2001 in the U S and others in the U K and other parts of the world have nationalized and intensified these patterns deepening the logic and extent of neoliberalism s hold over educational reforms At the same time it is impossible to understand the current crises in education solely in terms of neoliberalism the impact of neoconservatism must also be considered Hence this second edition has a new subtitle The Effects of School Reform in a Neoliberal Neoconservative Age This edition is structured around five themes Political and Social Foundations Anti Educational Foundations The Set Up Anti Educational Foundations The Trap Classroom Consequences and Democracy s Path This volume will particularly interest scholars and professionals across the fields of educational foundations curriculum theory and educational policy and is well suited as a text for courses in these areas
