The Student EQ Edge Steven J. Stein,Howard E. emotional intelligence and the role it plays in student persistence. It takes these noncognitive aspects that we know really matter and puts them into a practical, user friendly guide. This book is long overdue in higher education. Catherine Andersen, master trainer in emotional intelligence, professor and special assistant to the provost for student success, Gallaudet University. As important as book learning is, we know that success in life is also dependent upon emotional intelligence. The authors of *The Student EQ Edge* define emotional intelligence and provide a road map for mastering emotional intelligence skills. I would highly recommend *The Student EQ Edge* to any high school or college student interested in knowing what it takes to be truly successful both inside and outside the classroom. Brad Beacham, executive director, Sigma Nu Fraternity Inc. *The Student EQ Edge* is substantive, readable and sure to appeal to students both in classes as well as those who are lucky to pick it up for personal development reading.
