Between driving his UPS route wrangling his energetic son and microwaving whatever's not frozen solid he's barely holding it together. Enter Nina Tome polished poised and a little too perfect. She's got the kind of smile that could frost a gingerbread house and the attitude to match. She's also his most uptight customer and he's pretty sure she's allergic to fun and him. They clash on sight. They bicker every delivery day. So why can't Jett stop thinking about her. Turns out underneath all that sparkle Nina might be just as lonely as he is. And when the lines between annoyance and attraction start to blur Jett has to decide is he brave enough to believe in love again. A spicy feel good small town Christmas romance with grumpy sunshine tension slow burn steam and the kind of heartwarming HEA that will make you believe in second chances.
